Select Hazardous Materials, as defined and regulated under Title 49 of the Code of Federal Regulations (49 C.F.R.), and Dangerous Goods, as defined under the International Civil Aviation Organization (ICAO) and published in the IATA *Dangerous Goods Regulations*, are accepted for transportation only as a contractual service domestically within and between all 50 states and Puerto Rico, and internationally within or between defined service areas.

Setting Up Service for Hazardous Materials and Dangerous Goods

To receive Hazardous Materials or Dangerous Goods service, including UPS® Standard to Canada, the shipper must have a Scheduled Pickup account and agree to the provisions set forth in the online UPS Dangerous Goods Agreement Checklist or an approved prior domestic or international agreement, or have these same provisions incorporated into their existing customized contract.

UPS does not accept hazardous materials, including Consumer Commodities, Other Regulated Materials for Domestic Transport Only (ORM-D), Limited Quantities and combustibles, via UPS® Ground Service to and from Alaska, Hawaii, Puerto Rico and Catalina Island. Many products that are not

regulated or do not require shipping papers via UPS Ground are fully regulated when transported via aircraft. Hazardous Materials are accepted for transportation via UPS Air Services to and from Alaska, Hawaii, Puerto Rico and Catalina Island only in passenger aircraft quantities (some class 9 exceptions are listed in the UPS Chemical Table) and prepared according to the requirements set forth in either Title 49 of the Code of Federal Regulations (49 C.F.R.) or in the IATA regulations and the *UPS Guide for Shipping Ground and Air Hazardous Materials* at [ups.com/hazmat](https://www.ups.com/hazmat).

Hazardous Materials are accepted for transportation in UPS 3 Day Select only in passenger aircraft quantities (some class 9 exceptions are listed in the UPS Chemical Table) prepared according to the requirements set forth in either Title 49 of the Code of Federal Regulations (49 C.F.R.) or in the IATA regulations and the *UPS Guide for Shipping Ground and Air Hazardous Materials*, available at [ups.com/hazmat](https://www.ups.com/hazmat).

Other Regulated Materials (ORM-D)/ Limited Quantities (Ltd Qty)

Other Regulated Materials (ORM-D) and Limited Quantity (Ltd Qty) shipments prepared under HM-215K are accepted for transportation without Hazardous Materials shipping papers and without a contract, only within the 48 contiguous states via UPS Ground and UPS Hundredweight Service®, and via UPS Standard to

Canada and UPS Ground Intra-Alaska and Intra-Oahu services, when properly classified, packaged and marked, provided the shipper has reviewed the service restrictions with a UPS representative.

Ltd Qty (HM-215K) packages shipped via UPS domestic Air Services and UPS 3 Day Select within the U.S. and Puerto Rico, and Consumer Commodity and Ltd Qty shipments to International Dangerous Goods (IDG) destinations, are accepted for transportation on a contractual basis only.

UPS Express Critical®

Special Packaging Needs

PACKAGE

If you ship the following items, consider their special packaging needs.

Batteries

A variety of batteries are regulated as hazardous materials by the U.S. Department of Transportation (DOT) and International Air Transport Association (IATA). For assistance in determining whether or not your battery shipment is regulated, please call the DOT's Hazardous Materials Info-line at 1-800-467-4922. Batteries requiring shipping papers may only be tendered by contract hazmat shippers. (See the *UPS Guide for Shipping Ground and Air Hazardous Materials* at [ups.com/hazmat](https://www.ups.com/hazmat).) Any device with batteries installed must have their on/off switch protected from being activated, or have the batteries removed with the terminals protected. Simple devices like flashlights or rechargeable drills can generate a dangerous amount of heat if accidentally activated. Electronic items sent for repair, such as computers and cell phones, should be sent without batteries. For additional information regarding the shipment of batteries, please go to [ups.com](https://www.ups.com)® and enter "Batteries" in the search field.

Bundled or Strapped Boxes

Only same-sized boxes may be strapped together. Use a minimum of four crisscrossed bands, two in each direction. An address label must be placed on each box. When strapping boxes together, each box must be strong enough to hold the total weight of the strapped bundle. For example, if two 15-pound boxes are banded together into a 30-pound package, both components should be in boxes with at least a 30-pound weight capacity. An Additional Handling charge may apply. Refer to page [117](#) for more information.

Electronic Media

To ship electronic media that contain sensitive personal information (such as personal financial or health information), we recommend that you do not use an envelope, letter packaging, UPS Express® Envelope, UPS Express® Envelope – Reusable, UPS Express® Pak or UPS Express® Pad Pak. UPS provides special packaging, the UPS Express® Hard Pak – Secure, which is designed to help you ship sensitive electronic media. Call 1-800-PICK-UPS® or your sales representative for more information. You can also ship electronic media containing sensitive personal information by packaging it with a duplicate shipping label in an inner container that can be securely sealed. Place the inner container in a new outer corrugated box. Seal all flaps securely. Prior to packaging, mark the electronic media with identifiable information such as your company name, reference number or your UPS shipping number. Additionally, the shipper should retain a copy of the data and secure the data on the electronic media through encryption or other technological means.

Fabric and Wallpaper

Rolled goods travel best when shipped in corrugated boxes. If a fabric or wallpaper roll is shipped in a bag, UPS recommends a bag with a minimum thickness of six mils. Make sure the bag is tightly wrapped and taped against the roll to reduce the risk of tearing. A tail on an item shipped in a bag must be compressed to the body of the item using tape. Place the address label on a flat surface of the item being shipped. Place duplicate address labels inside cores or between top layers of material. An Additional Handling charge may apply. Refer to page [117](#) for more information.

Special Packaging Needs

PACKAGE

Irregularly Shaped Items and Bare Metals

Tape the address label on a flat surface of the item being shipped. Cover the label with clear tape. Do not use “flying tags” attached by string or metal. Blunt all sharp or protruding edges with taped-on, corrugated cardboard pieces. Protect the surface of the item as needed. An Additional Handling charge will apply. Refer to page [117](#) for more information.

Large and/or Heavy Packages

Packaging materials need to be evaluated carefully for packages weighing more than 70 pounds.

A UPS Heavy Package sticker is required whenever you ship packages weighing more than 70 pounds. Place the sticker to the right of the address label and write the package’s weight in the white box. It also helps to highlight every side of your package with Heavy Package highlight tape. This sends a warning to those who risk lifting your package, both your employees and ours. Customers with a UPS account can request supplies, free of charge, by selecting “Order Supplies” from the left side of the [ups.com®](#) homepage or by calling 1-800-PICK-UPS®. An Additional Handling charge will apply. Refer to page [117](#) for fees.

Tires

Apply a wide band of pressure-sensitive tape through the center and completely around the body of the tire so that the tape is attached to itself. Attach your address label to the tape band where it covers the tread. Cover the entire label with clear tape. An Additional Handling charge will apply. Refer to page [117](#) for more information.

UPS WORLDWIDE EXPRESS FREIGHT®, AIR FREIGHT AND LESS-THAN-TRUCKLOAD

Preparing Your Freight Shipment

UPS Worldwide Express Freight

UPS Worldwide Express Freight is for palletized shipments. Pre-authorization is required for all UPS Worldwide Express Freight pallets exceeding maximum size or weight restrictions (which vary by origin and destination) as set forth at [ups.com/media/en/wwef_max_dim.pdf](https://www.ups.com/media/en/wwef_max_dim.pdf). For UPS Worldwide Express Freight, scheduling a pickup or drop-off is required on all shipments through WorldShip®, UPS® Internet Shipping, UPS CampusShip®, a UPS Ready® solution, UPS® Developer Kit, [ups.com](https://www.ups.com)® or by calling 1-800-782-7892.

Air Freight and LTL

Air Freight and LTL shipments can include combinations of palletized items or boxes that are too large to ship using other UPS services. Air Freight and LTL can also include multiple non-palletized pieces. UPS will accept freight shipments of any weight. However, minimum weight charges apply. Pre-authorization is required for Air Freight shipments that exceed 120 inches in length, 84 inches in width, 76 inches in height or 5,000 pounds in weight.

Palletized Freight

Palletizing freight helps multiple-piece shipments remain together and provides increased protection from damage. Each pallet, including its contents, is considered one piece.

Non-Palletized Freight

Loose items, such as boxes or containers that have not been secured to a pallet, are considered non-palletized freight. Each loose item is considered one piece and can be shipped via Air Freight or LTL services.

Palletizing Your Shipment

UPS Worldwide Express Freight, Air Freight and LTL

Pallets are portable rigid platforms used to consolidate shipments and allow for ease of freight movement. Quality pallets are commonly made of either wood or plastic and can weigh between 20 and 70 pounds. Pallets

should be large enough to accommodate the shipment without overhang. Anything overhanging the pallet edges may be damaged from punctures, abrasions and compression.

UPS Worldwide Express Freight shipments must be palletized, stackable,

able to be lifted by forklift, and shrink-wrapped or banded to the pallet. For Air Freight shipments, if your non-palletized shipment does not meet the minimum billable weight per piece, consider palletizing prior to UPS pickup.

Step-by-Step

The following are basic step-by-step instructions for palletizing your freight for UPS Worldwide Express Freight, Air Freight and LTL shipments.

1. Select Pallets.

- Choose pallets large enough to prevent overhang of shipment pieces
- Pallets must be sturdy enough to support the load
 - Select pallets with closely spaced pallet deck boards
 - Never exceed the rated capacity of your pallet
- Do not select pallets with broken boards or protruding nail heads

Palletizing Your Shipment

1. Select a four-way entry pallet for your freight shipment.

2. Stack boxes in columns. Avoid placing freight beyond pallet edges.

3. Use strapping with stretch wrap to secure boxes to the pallet.

- Pallets with four-way forklift entry are preferred as they help to improve handling and reduce damage to the shipment

2. Stack Boxes on Pallet.

For shipments that contain boxes or stackable pieces:

- Ensure cartons are new and of proper strength to withstand stacking

Many locations of The UPS Store® can handle LTL freight packaging and shipping for you. Visit theupsstore.com for more information.

Packaging Guidelines

UPS WORLDWIDE EXPRESS FREIGHT®, AIR FREIGHT AND LESS-THAN-TRUCKLOAD

Step-by-Step (continued)

- Securely close, staple and/or seal cartons
 - Protect product from internal vibration with proper amounts of dunnage within cartons; no void areas/spaces between product or on top of carton
 - Remove old labels from shipping cartons and product
 - Affix labels with complete address information for the shipper and the consignee, to each piece
 - Align boxes in columns, corner to corner, for the greatest stacking strength
 - Avoid interlocking or rotating layer patterns
 - Do not align corners over the spaces between pallet deck boards
 - Boxes should not extend past the pallet edges
 - Do not pyramid the boxes; keep the top layer flat to prevent damage from top loads
 - Use a slip sheet under the load and every third layer when possible to help distribute the weight evenly and protect the bottom layer
- ### 3. Secure Shipment to Pallet.
- Use a minimum of 60 gauge stretch wrap, five revolutions recommended; tie to pallet and across top to prevent shifting
 - For Air Freight and LTL, label all handling units with shipper/consignee information and PRO Numbers (at minimum all four vertical sides, interior and exterior of the stretch wrapping); use markers if having adhesion issues
 - To ensure stability corner boards and banding are recommended
 - Use three-way locking - nailed corners (not staples) on crates; angle board must extend from the deck board to the top of the pallet load
 - Insert layers of cardboard between layers of freight to absorb vibration; distribute the weight evenly

4. Label Shipment.

- For UPS Worldwide Express Freight, apply labels to each side of the pallet and on top of the pallet. Each label should have telephone numbers and complete address information, including postal code of the shipper and the consignee
- For Air Freight, label each pallet with telephone numbers and complete address information, including postal code of the shipper and the consignee
- Ensure information on the Bill of Lading (BOL) matches the shipment
- Indicate in proper location on the BOL and check contract/tariff for liability limits if excess declared value is needed
- Do not pyramid, ship or accept prohibited items or freight that overhangs the pallet

Protecting Your Palletized Shipment from Damage

Solution	Description
Corner/Edge Boards	<ul style="list-style-type: none"> - Increase vertical stacking strength, prevent damage to corner edges and stabilize the load. - Should extend to the full height and length of the load and should be used on all corners.
Strapping or Banding	<ul style="list-style-type: none"> - Prevents pieces from getting lost or separated from the load. - Should be drawn tightly to the load, possibly requiring running it underneath the top deck boards of the pallet.
Stretch Wrapping	<ul style="list-style-type: none"> - Use as an effective way to keep all pieces of a shipment together. - Should first be applied around the pallet and continued upward around the load. - Must be tight to prevent load shifting. - Capture the pallet when wrapping bottom layer. - Designed to stabilize the load, not to secure it to the pallet. - Strapping or banding should be used in conjunction with stretch wrap to secure the load to the pallet.
Top/Bottom Load Protector	<ul style="list-style-type: none"> - Layers of corrugated fiberboard or heavy paperboard. - Use to help evenly distribute the weight of shipments that can be stacked upon one another.

Packaging Guidelines

UPS WORLDWIDE EXPRESS FREIGHT®, AIR FREIGHT AND LESS-THAN-TRUCKLOAD

Preparing Non-Palletized Freight

If you do not plan to secure your shipment to pallets, follow the steps below for Air Freight and LTL services. UPS Worldwide Express Freight does not accept non-palletized freight shipments.

1. Ship freight in corrugated boxes (avoid reusing boxes), crates or shipping containers.

2. Use a container strong enough to support the weight of contents.

3. Use at least two inches of appropriate cushioning material to protect internal items from each other and the corners, sides, top and bottom of containers. Appropriate cushioning material would include corrugated fiberboard, multiple layers of folded newspaper, styrofoam sheets, packing blankets, etc.

4. Reinforce edges to protect from bending.

5. Securely seal closures and seams with reinforced tape.

6. Label each piece with telephone numbers and complete address information, including postal code of the shipper and the consignee.

Preparing for Pickup

Air Freight and LTL

Pickup is available for all Air Freight and LTL services. Your freight pickup request is initiated when you Create a Shipment for freight on [ups.com](https://www.ups.com)®, WorldShip® or My LTL Freight.

Some Air Freight shipment pickup requests require pre-authorization.

How to Label Air Freight and LTL Shipments

Each piece of palletized or non-palletized freight must be clearly marked with telephone numbers and complete address information, including postal code of the shipper and the consignee. Indicate on freight labels if any pieces require C.O.D. service.

Determine the Weight and Size

PACKAGE

For All Domestic and International Shipments

The Determine the Weight and Size information on this page and the next page are for package shipments only. For information on how to determine the weight and size for UPS Worldwide Express Freight® refer to page 18.

Shipping rates are based on package weight and size (explained below and on the following page) and origin-to-destination distance (refer to page 27 for Domestic, Export and Import).

Billable weight is the weight used to calculate the rate. For domestic and international services, the billable weight will be the greater of the dimensional weight compared to the actual weight.

How to determine billable weight.

1. Determine actual weight.

Actual weight is the package weight rounded up to the next whole pound.

Use a scale to determine the weight of the package. Round any fraction of a pound to the next whole pound

for UPS Express® Envelopes (letters) over eight ounces and all other packages.

2. Determine dimensional weight.

Dimensional weight reflects package density, which is the amount of space a package occupies in relation to its actual weight. Dimensional weight may apply to all UPS domestic and international package services.

Determine the package dimensions in inches. For each dimension, measure at the longest point, rounding each measurement to the nearest whole number (for example, 1.00 to 1.49 will be considered 1, and 1.50 to 1.99 will be considered 2).

Multiply the package length (longest side of the package) by the width by the height. The result is the cubic size in inches.

For domestic shipments:

Divide the cubic size in inches by 166 to determine dimensional weight in pounds. Increase any fraction to the next whole pound.

For international shipments:

For export and import shipments, divide the cubic size in inches by 139 to determine the dimensional weight. Increase any fraction to the next whole pound.

For UPS® Standard from Canada import shipments, divide the cubic size in inches by 166 to determine the dimensional weight. Increase any fraction to the next whole pound.

3. Determine billable weight.

Compare the package's actual weight to its dimensional weight. The greater of the two is the billable weight and should be used to calculate the rate.

For multiple-package shipments, total the billable weight of all packages in the shipment.

Domestic

$$\left[\begin{array}{c} \text{Dimensional Weight} \\ \text{in Pounds} \end{array} \right] = \frac{L \times W \times H}{166}$$

Determine the Weight and Size

PACKAGE

For All Domestic and International Shipments (continued)

Additional Information on Determining Weight and Size.

– **Letter rates** apply for domestic and international documents, correspondence and electronic media shipments that do not exceed eight ounces sent in a UPS Express® Envelope. Domestic letters greater than eight ounces will be billed by weight (rounded up to the next whole pound). Export letters greater than eight ounces and up to two pounds will be billed at UPS Express® Pak rates. Export letters greater than two pounds and import letters greater than eight ounces will be billed by weight (rounded up to the next whole pound).

– **UPS Express Pak rates** apply for export shipments that weigh two pounds or less, do not exceed \$100.00 in customs value and UPS Express Pak is selected at the time of shipping.

– **Irregularly Shaped Packages:** If the package has a bulge or is irregularly shaped, measure the length, width and height of the package at its extreme points, which may include the bulge or irregular aspects of the package.

Treat the irregularly shaped package as if it were in a regular rectangular box. Measure the length, width and height of the package from its extreme points.

– **Items Shipped in Bags:**
Shape – When multiple items are shipped in a flexible container (e.g., burlap or plastic bag), the package measurements will be determined when the exterior is at rest. As this shape will differ from placement to placement, cubic size or package measurements will be made at the sole discretion of UPS.

Tails – A tail on an item shipped in a bag should be measured for the amount of space it takes up in a reasonably compressed fashion. Any tail that is created by placing an item in a bag must be compressed and taped to the body of the item.

– Packages that exceed UPS weight and size limits are not accepted for transportation. If found in the UPS system, they are subject to an Over Maximum Limits charge. Refer to page 118 for more information. For Maximum Weight service restrictions, refer to page 8. For shipments over 150 pounds other than UPS Worldwide Express Freight®, refer to pages 72 and 73 for Air Freight and page 6 for UPS Freight® Less-Than-Truckload or Truckload.

– A **Large Package Surcharge** may apply to domestic and international shipments.

A package is considered a “Large Package” when its length (longest side of the package) plus girth $[(2 \times \text{width}) + (2 \times \text{height})]$ combined exceeds 130 inches.

Large Packages are subject to a minimum billable weight of 90 pounds. An Additional Handling charge will not be assessed when a Large Package Surcharge is applied.

– Shippers are responsible for providing accurate and complete shipment information on the shipping document or in the automated processing system used, including service selected, number, weight and dimensions of packages. UPS reserves the right to audit any package and/or invoice to verify service selection, package dimensions or weight and applicability of any charges. As part of that audit, UPS may weigh and measure any package tendered to UPS using any method UPS deems appropriate including, but not limited to, multi-dimensional measuring devices. If any aspect of the shipment information provided by the shipper is incomplete or incorrect as determined by UPS in its sole and unlimited discretion, UPS may in its sole and unlimited discretion adjust charges at any time.

Follow the instructions on this page and the previous page to determine the billable weight for your package shipments. Refer to page 18 for UPS Worldwide Express Freight.

Notes:

- Size limits indicated by a box manufacturer may not reflect exterior dimensions of a package, including where a package may have bulges or otherwise may not be uniform across each plane, and should not be used as a substitute for actual length, width and height measurements in determining dimensional weight.
- Improper packaging may result in the alteration of a package’s dimensions during transit which can affect the package’s dimensional weight and result in a shipping charge correction.

WorldShip®, UPS® Internet Shipping, UPS CampusShip®, UPS Ready® solutions and applications available in the UPS® Developer Kit will automatically calculate dimensional weight when you enter the package weight and dimensions.

Determine the Weight and Size

UPS WORLDWIDE EXPRESS FREIGHT®

For International Palletized Shipments

Shipping rates are based on the shipment weight, including the weight of the pallet, and size and origin-to-destination distance (refer to page [27](#) for Export and Import).

Billable weight is the weight used to calculate the rate. The billable weight will be the greater of the dimensional weight as compared to the actual weight.

How to determine billable weight.

1. Determine actual weight.

Actual weight is the weight of the items on the pallet and the weight of the pallet, rounded up to the next whole pound.

Use a scale to determine the weight. Round any fraction of a pound to the next whole pound.

2. Determine dimensional weight.

Dimensional weight reflects pallet density, which is the amount of space a pallet occupies in relation to its actual weight. Dimensional weight may apply to all UPS Worldwide Express Freight shipments.

Determine the pallet dimensions in inches. For each dimension, measure at the longest point, rounding each measurement to the nearest whole number (for example, 1.00 to 1.49 will be considered 1, and 1.50 to 1.99 will be considered 2).

Multiply the pallet length by the width and by the height. The result is the cubic size in inches.

For export and import shipments, divide the cubic size in inches by 139 to determine the dimensional weight.

Increase any fraction to the next whole pound.

3. Determine billable weight.

Compare the pallet's actual weight to its dimensional weight. The greater of the two is the billable weight and should be used to calculate the rate.

Additional Information on Determining Size and Weight.

– Pallets that exceed maximum size or weight restrictions (which vary by origin and destination) as set forth at [ups.com/media/en/wwe_f_max_dim.pdf](https://www.ups.com/media/en/wwe_f_max_dim.pdf) require prior approval, and are subject to an Oversize Pallet Handling Surcharge. Refer to page [119](#) for more information.

U.S. Export and Import

$$\left[\begin{array}{l} \text{Dimensional Weight} \\ \text{in Pounds} \end{array} \right] = \frac{L \times W \times H}{139}$$

L = Length in inches

W = Width in inches

H = Height in inches

Billable Weight Calculation

Customer has a shipment with 3 pallets weighing 600 pounds, 800 pounds and 1,000 pounds. All pallets are the same size with the following dimensions: 48 in. x 40 in. x 60 in.

1. Determine actual weight.

$$\text{Actual Weight} = 600 \text{ lbs.} + 800 \text{ lbs.} + 1,000 \text{ lbs.} = 2,400 \text{ lbs.}$$

2. Determine dimensional weight.

$$\text{Pallet Dimensional Weight} = \frac{48 \text{ in.} \times 40 \text{ in.} \times 60 \text{ in.}}{139} = 829 \text{ lbs.}$$

$$\text{Shipment Dimensional Weight} = 829 \text{ lbs.} + 829 \text{ lbs.} + 1,000 \text{ lbs.} = 2,658 \text{ lbs.}$$

3. Determine billable weight.

How to Determine Billable Weight*

Compare the freight shipment's minimum billable weight, actual weight and dimensional weight. The greatest of the three is the billable weight and should be used to calculate the rate.

1. Determine minimum billable shipment weight.*
 - Minimum billable weight for loose items is the greater of 151 pounds or the number of pieces multiplied by 20 pounds.

Service	Minimum Weight per Piece	Minimum Weight per Shipment
UPS Next Day Air® Freight, UPS Next Day Air® Freight NGS, UPS 2nd Day Air® Freight, UPS 2nd Day Air® Freight NGS, UPS 3 Day Freight®, UPS 3 Day Freight® NGS	20 Pounds	151 Pounds

2. Determine actual weight and round up any fraction of a pound or kilo to the next whole pound or kilo.
3. Determine dimensional weight.

For each dimension, measure at the longest point, rounding each measurement to the nearest whole number. Multiply the shipment length by the width by the height. The result is the cubic size. Divide the cubic size by the dimensional weight factor located in the matrix below to determine the dimensional weight.

Service	Origin	Destination	Dimensional Weight Factor (Inches/Pounds)	Dimensional Weight Factor (Centimeters/Kilos)
UPS Air Freight Direct®, UPS Air Freight Consolidated®	All	All	166	6,000
UPS Next Day Air Freight, UPS Next Day Air Freight NGS, UPS 2nd Day Air Freight, UPS 2nd Day Air Freight NGS, UPS 3 Day Freight, UPS 3 Day Freight NGS	U.S.	U.S. and PR	166	6,000

	U.S.	CA		
	PR	CA		

To convert metric measurements into pounds, multiply the result by 2.20462. To convert imperial measurements into kilos, multiply the result by 0.453592. Increase any fraction to the next whole pound or kilo.

*The minimum billable shipment weight applies to all Air Freight services within and between the U.S., Canada and Puerto Rico. For UPS Air Freight Direct and UPS Air Freight Consolidated, a minimum shipment dollar amount is applied. Refer to the "UPS Air Freight Terms and Conditions of Contract for UPS Air Freight Services in the United States, Canada and International" at [ups.com/terms](https://www.ups.com/terms) for more information or call 1-800-443-6379.

**The minimum billable weight of 20 pounds per loose piece applies to Air Freight within and between the U.S., Canada and Puerto Rico only. If your non-palletized shipment does not meet the minimum weight of 20 pounds per piece, consider palletizing. Palletizing will ensure your shipment does not fall below the per-piece minimum billable charge.

†Pallet billable weight is equal to the shipment weight (315 pounds) plus the weight of a pallet (approximately 40 pounds). Note: Each pallet with its secured contents is entered as one piece.

Determining the Rate

Export

Shipment Pricing

UPS Worldwide Express Plus®, UPS Worldwide Express®, UPS Worldwide Express Freight®, UPS Worldwide Saver®, UPS Worldwide Expedited® and UPS® Standard

Shipment pricing is advantageous because rates are based on the total weight of a shipment, not the sum of the rates for each package in a shipment.

What Qualifies

1. The shipment consists of multiple packages, using the same service, shipped on the same day to a single consignee.
2. You use WorldShip®, UPS® Internet Shipping, UPS CampusShip®, the UPS® Developer Kit or a UPS Ready® solution that supports full international service, or a UPS Worldwide Services Waybill. UPS Mobile™ supports package and document shipments originating from the U.S., Canada, UK, Germany, France and Italy.

What Does Not Qualify

Shipment pricing does not apply to UPS Express® Envelopes, UPS Express® Paks, the UPS 10 KG Box®, the UPS 25 KG Box® or packages recorded in a UPS Shipping Record book; they are each considered separate shipments.

Rates

Rates are based on the total billable weight of all packages in the shipment. Compare each package's actual weight to its dimensional weight. The greater of the two is the billable weight and should be used to calculate the rate. For multiple-package shipments, total the billable weight of all packages in the shipment. Refer to pages [16](#) and [17](#) for instructions on calculating dimensional and billable weight.

If the payer of the shipping charges is located in the origin country, the shipment will be charged the export rate (Origin Country Export Rates). When the payer of the shipping charges is located in the destination country, the shipment will be charged the import rate (Destination Country Import Rates). If the destination country does not have

import rates, the shipment will be charged the export rate (Origin Country Export Rates). When the payer of the shipping charges is located in a third country (neither origin nor destination country), the shipment will be charged the Origin Country Export Rates, except as otherwise agreed to by UPS and the contracting party.

For shipments weighing 150 pounds or less, locate the rate for the total weight of the shipment on the appropriate rate chart.

For shipments weighing more than 150 pounds, multiply the total weight (rounded to the next whole pound) by the appropriate price per pound. The amount billed will be the result of this calculation or the minimum rate shown, whichever is greater.

For a multiple-package UPS Standard shipment, the minimum charge will be based on an average weight of 15 pounds per package.

Customs Brokerage

For UPS Worldwide Express Plus, UPS Worldwide Express, UPS Worldwide

Express Freight, UPS Worldwide Saver, UPS Worldwide Expedited and UPS® Standard to Mexico rates include routine, in-house, customs clearance by UPS Supply Chain Solutions®. Additional charges will apply if customs clearance is performed by customs brokerage offices other than those designated by UPS for clearing the services listed above.

Customs clearance for the services listed is provided by the UPS Supply Chain Solutions customs brokerage offices designated by UPS for handling package customs clearance. Other UPS Supply Chain Solutions customs brokerage offices charge fees for clearance of packages and freight.

For UPS® Standard to Canada, charges for customs clearance are not included in the rate. UPS will provide Customs Brokerage Services, unless otherwise specified by the importer. Customs brokerage charges, duties and taxes will be billed to the importer, unless otherwise indicated by the shipper. Canada brokerage rates are available at [ups.com/cacustomsclearance](https://www.ups.com/cacustomsclearance).

Import Shipment Pricing

UPS Worldwide Express Plus®, UPS Worldwide Express NA1®, UPS Worldwide Express®, UPS Worldwide Express Freight®, UPS Worldwide Saver®, UPS Worldwide Expedited®, UPS 3 Day Select® from Canada and UPS® Standard

Shipment pricing is advantageous because rates are based on the total weight of a shipment, not the sum of the rates for each package in a shipment.

What Qualifies

1. The shipment consists of multiple packages, using the same service, shipped on the same day to a single consignee.
2. For shipments processed with WorldShip®, UPS® Internet Shipping, UPS CampusShip®, the UPS® Developer Kit or a UPS Ready® solution that supports full international service, or a UPS Worldwide Services Waybill.

What Does Not Qualify

Shipment pricing does not apply to UPS Express® Envelopes, the UPS 10 KG Box® or the UPS 25 KG Box®; they are each considered separate shipments.

Rates

Rates are based on the total billable weight of all packages in the shipment. Compare each package's actual weight to its dimensional weight. The greater of the two is the billable weight and should be used to calculate the rate. For multiple-package shipments, total the billable weight of all packages in the shipment. Refer to pages [16](#) and [17](#) for instructions on calculating dimensional weight.

If the payer of the shipping charges is located in the origin country, the shipment will be charged the export rate (Origin Country Export Rates). When the payer of the shipping charges is located in the destination country, the shipment will be charged the import rate (Destination Country Import Rates). If the destination country does not have

import rates, the shipment will be charged the export rate (Origin Country Export Rates). When the payer of the shipping charges is located in a third country (neither origin nor destination country), the shipment will be charged the Origin Country Export Rates, except as otherwise agreed to by UPS and the contracting party.

Unless otherwise specified at the time of shipping, shipping charges are billed to the shipper. In the event of non-payment by consignee or third party, the charges are billed to the shipper. Refer to page [110](#) for more information on billing options.

For shipments weighing 150 pounds or less, locate the rate for the total weight of the shipment on the appropriate rate chart.

To determine the rate for a shipment weighing more than 150 pounds, multiply the total weight (rounded to the next whole pound) by the appropriate price per pound as shown under the shipment weight designations above 150 pounds. The amount billed will be the result of this calculation or the minimum rate shown, whichever is greater.

For a multiple-package UPS Standard shipment, the minimum charge will be based on an average weight of 15 pounds per package.

All rates for UPS international services, except UPS® Standard from Canada, include routine, in-house, customs brokerage. For more information on customs brokerage for import shipments, refer to pages [124](#) to [128](#).

UPS Broker of Choice®

With UPS Broker of Choice, importers select their own alternate customs broker for customs clearance of their UPS international shipments. This service is available for all UPS international shipments, except for UPS® Standard service.

This contractual, fee-based service ensures that the established relationship with a customs broker can remain in place while the importer continues to utilize UPS for their international shipping needs. Using UPS Broker of Choice enables importers that have concerns about specific commodities or product lines to retain a particular

broker familiar with this portion of the business, while continuing to utilize UPS brokerage expertise for others.

Through the use of UPS technology, shipment information, as well as shipment documentation (e.g., commercial invoice), will be proactively available at the time of export for the broker to retrieve, thus enhancing the broker's ability to clear the shipment in a timely manner.

Importers have two options:

1. UPS Broker of Choice OnSite keeps shipments in UPS's possession while the importer's customs broker completes

customs clearance procedures prior to UPS completing delivery of the shipment.

2. UPS Broker of Choice OffSite moves shipments in-bond directly to a customs-controlled (bonded) warehouse (at the importer's direction), where the importer's customs broker completes the customs clearance procedures. The UPS transport is completed upon delivery of the shipment to the warehouse. Refer to page [127](#) for fees.

UPS FTZ Facilitator®

With UPS FTZ Facilitator, importers and exporters have the ability to use UPS to transport international shipments in-bond to and from a global Free/Foreign Trade Zone (FTZ). This service is available for all UPS international shipments, except for UPS® Standard service.

This contractual, fee-based service allows the shipment of goods to and from an FTZ, while retaining the benefits of UPS's transportation network. Using UPS as a single source enables

importers and exporters to increase visibility and tracking, and reduce the chance for errors and costs associated with utilizing multiple transportation providers.

Through the use of UPS technology, shipment information, as well as shipment documentation (e.g., commercial invoice), will be proactively available at the time of export for our customer, customer's broker or FTZ operator to retrieve, thus enhancing their ability

to process the FTZ entry in a timely manner.

Importers will choose UPS FTZ Facilitator import service to direct shipments to be delivered in-bond to a designated FTZ rather than being cleared through customs.

Exporters will choose UPS FTZ Facilitator export service to ship goods in-bond from an FTZ to an international destination. Refer to page [127](#) for fees.

Managing Inbound Charges

Control who can and cannot bill shipping charges to your UPS account number. There are two convenient ways to manage this process. Select the option that is appropriate for your business needs.

– Allow any shipper to bill shipping charges to your UPS account number, except for certain shippers you wish to exclude.

– Allow only certain shippers to bill shipping charges to your UPS account and exclude all others.

To begin controlling your inbound charges, go to ups.com/billing.

Consolidated Payment Plans

A Consolidated Payment Plan offers a convenient way to aggregate UPS invoices for multiple UPS account numbers into a single invoice for payment.

Consolidated Payment Plans can be created for UPS domestic, export and import invoices.

To learn more about Consolidated Payment Plans, call 1-800-PICK-UPS®.

Managing Additional Charges

Additional charges can occur when shipments are not processed properly.

Tips for avoiding these charges may be found at ups.com/avoidcharges.

To receive Hazardous Materials or Dangerous Goods service, the Shipper must sign and agree to the provisions set forth in an approved UPS agreement relating specifically to the transportation of Hazardous Materials, Dangerous Goods, or International Dangerous Goods (“Hazardous Materials Agreement”). Contact UPS for specific information, including a list of “Common Items That May Be Classified as Hazardous Materials.”

An additional charge will be assessed for each Hazardous Materials Shipment. UPS may also assess an additional surcharge for Packages or pallets containing certain types of Hazardous Material. Applicable surcharges are described in the Service Guide and at the [ups.com](http://www.ups.com)® website.

It is the Shipper’s responsibility to determine if a Shipment contains a Hazardous Material and to properly classify, label, mark, and package it in accordance with applicable governmental regulations. When required, the Shipper is responsible for ensuring that all of its employees involved in the preparation of Hazardous Materials for transport are properly trained, tested, and certified in accordance with 49 C.F.R. Part 172.700 through 172.704, or with IATA (Section 1.5) and for ensuring that a program exists for the retraining, testing, and certification as required by these rules.

All packaging used by the Shipper for the transportation of Hazardous Materials, when required by regulation, must pass UN performance testing in accordance with 49 C.F.R. Part 178.602 through 178.609 or IATA (Section 6.0).

The Shipper must use a software system, such as the most current version of WorldShip® software that is acceptable to UPS for the preparation of documents for shipping Hazardous Materials, or an alternative method determined by UPS in its sole and unlimited discretion to perform the same functions. UPS will provide Shippers, upon request, a list of vendors who provide acceptable software systems.

UPS reserves the right to refuse to accept, to return, or to dispose of, in compliance with applicable laws and regulations, any Hazardous Material that it determines not to have been prepared in accordance with the *UPS Guide for Shipping Ground and Air Hazardous Materials*, the *UPS Guide for Shipping International Dangerous Goods*, and all applicable governmental laws and regulations. The Shipper agrees to reimburse UPS for any costs or expenses incurred as a result of any improperly packed or prepared Hazardous Materials which Shipper tenders to UPS. In addition, the Shipper agrees to reimburse UPS for any costs or expenses incurred by UPS if Hazardous Materials tendered by the Shipper are refused by the Shipper upon return or cannot otherwise be delivered for any reason including, but not limited to, wrong delivery address or refusal of Receiver to accept Delivery.

UPS reserves the right, in its sole and unlimited discretion and without prior notice to the Shipper, to dispose of any international Shipment containing Dangerous Goods refused

by the Receiver or which for any other reason cannot be delivered. Shipper shall be responsible for all disposal fees.

The Shipper agrees to indemnify, defend, and hold harmless UPS, its parent corporation, and affiliated companies, their officers, directors, employees, agents, and their successors and assigns, from all claims, demands, expenses (including reasonable attorney's and consultants' fees), liabilities, causes of action, enforcement procedures, and suits of any kind or nature brought by a governmental agency or any other person or entity arising from or relating to the transportation of a Hazardous Materials Shipment, from the Shipper's breach of the Hazardous Materials Agreement or the Terms, or from the Shipper's non-compliance with governmental laws or regulations applicable to the transportation of Hazardous Materials whether such action is brought by a governmental agency or other person or entity. Under no circumstances shall UPS be liable for special, incidental, or consequential damages arising from the transportation of a Hazardous Materials Shipment.

Pursuant to 49 C.F.R. Part 173.30, in the event the Shipper loads any UPS vehicle, the Shipper agrees to segregate Hazardous Materials in accordance with 49 C.F.R. Part 177.848 and properly secure Hazardous Materials in accordance with 49 C.F.R. Part 177.834.

UPS does not accept Hazardous Materials in any amounts that require placarding under 49 C.F.R. Part 172, Subpart F. The Shipper agrees not to tender Hazardous Materials to UPS in any amount for a single vehicle that would require placarding in accordance with 49 C.F.R. Part 172, Subpart F.

UPS reserves the right to discontinue or terminate service immediately with respect to the transportation of Hazardous Materials if the Shipper fails to comply with any provisions of the Terms, or any applicable government regulations (including Limited Quantity/ORM-D Shipments that are tendered without the proper shipping documentation). If a Shipper tenders an undeclared Hazardous Materials Shipment to UPS, UPS shall not be liable for the Shipment in the event of loss, damage, delay, or misdelivery, nor shall UPS be liable for any special, incidental, or consequential damages.

If the Shipper ships Hazardous Materials from more than one location, and the Shipper fails to comply with any provisions of the Terms, the Hazardous Materials Agreement, or any governmental regulations, UPS may, in its sole and unlimited discretion, terminate all of the Shipper's shipment locations or limit such

termination to those locations where the failure to comply occurred.

Shippers are prohibited from shipping and UPS will not accept for transportation Shipments containing any Hazardous Materials requiring shipping papers (defined as those materials regulated under Title 49 of the Code of Federal Regulations) or Dangerous Goods requiring Shipper's Declaration for Dangerous Goods documents, when such Shipments are presented for shipment at UPS Customer Centers, Third-Party Retailers, or UPS Access Point™ locations. Hazardous Materials requiring shipping papers cannot be picked up via UPS On-Call Pickup® service, or retrieved via any UPS Returns® Service, except as a contractual service.

Additional terms applicable to the shipment of Hazardous Materials are set forth in the *UPS Guide for Shipping Ground and Air Hazardous Materials*, and the *UPS Guide for Shipping International Dangerous Goods*, the terms of which are each incorporated here by this reference and available at <http://www.ups.com/content/us/en/resources/ship/hazardous>.

3.9 Dry Ice

Packages containing dry ice (carbon dioxide, solid) as a refrigerant, but no other Hazardous Materials, are accepted for transportation within the United States via UPS Ground and UPS Air Services (provided such Packages are prepared in accordance with all applicable governmental regulations) without a Hazardous Materials Agreement. Packages containing Hazardous Materials that use dry ice (carbon dioxide, solid) as a refrigerant are accepted for transportation within the United States via UPS Ground and UPS Air Services only as a contractual service. Any Package containing dry ice will be considered a Perishable Commodity. Packages containing dry ice may be tendered for shipment at The UPS Store® locations, where such services are available. A contract is required for all international Shipments of dry ice.

3.10 Limited Quantity/ORM-D Packages

Limited Quantity/ORM-D Packages are accepted for transportation without Hazardous Materials shipping papers and without a contract, only within the 48 contiguous United States via UPS Ground, UPS Ground with Freight Pricing service, and UPS Hundredweight Service®, and via UPS Standard to Canada and UPS Ground Intra-Alaska and Intra-Oahu services, when properly classified, packaged and marked, provided the Shipper has reviewed the required checklist and service restrictions with a UPS representative. Limited Quantity/ORM-D Packages shipped via UPS Air Services and UPS 3 Day Select® within the United States

and Puerto Rico are accepted for transportation on a contractual basis only. Limited Quantity/ORM-D Packages containing ammunition are not accepted for shipment internationally.

3.11 Hazardous Waste, Mercury, and Mercury-Containing Waste

Packages containing hazardous waste, defined as a solid waste that meets any of the criteria of hazardous waste as described in 40 C.F.R. § 261.3, are not accepted for transportation.

UPS's acceptance for transportation of any elemental mercury, mercury-containing material, or used mercury-containing device (including, but not limited to, medical devices, spent fluorescent lamps, thermostats, or thermometers) is limited, must be prearranged, and will only be provided pursuant to prior written authorization from UPS upon satisfaction of certain requirements including appropriate packaging and financial assurances.

3.12 Live Animals

UPS provides service on a limited basis for some types of live animal Shipments. (The term "animal" as used here refers to anything living, except plants.) Live animals may be shipped only pursuant to the restrictions and conditions set forth on the [ups.com](http://www.ups.com)® website regarding Shipping Live Animals. A live animal Shipment will be considered a Perishable Commodity. Access <http://www.ups.com/content/us/en/resources/ship/packaging/guidelines/animals.html> or contact UPS for information regarding shipping live animals.

3.13 Perishable Commodities

UPS does not provide a protective service for the transportation of Perishable Commodities. Such commodities will be accepted for transportation solely at the Shipper's risk for any damage arising from the perishable nature of the item. Shippers shall not file claims for, and UPS shall not be liable to Shippers or any third parties for, any damage arising from the transportation of Perishable Commodities, regardless of whether the Shipment is delivered pursuant to an applicable UPS Service Guarantee or is delayed in transit. UPS reserves the right to dispose of any Shipment in the UPS system containing a Perishable Commodity that UPS deems in its sole and unlimited discretion to be of no value, unsafe or unsanitary.

3.14 Pharmaceuticals

The Shipper shall comply with and shall ensure that each Shipment containing pharmaceutical products complies with all applicable federal, state, provincial, and local laws and regulations governing the dispensing, shipment or tender of shipment of pharmaceutical products.

UPS® Tariff/Terms and Conditions of Service - United States

3.15 Portable Electronic Devices

UPS transports Shipments containing radio frequency identification devices (RFID), ultra-wideband devices (UWB), and other portable electronic devices (PED) only when such devices are in an inactivated state or otherwise in compliance with applicable law including 14 C.F.R. § 91.21, 14 C.F.R. § 121.306, or 47 C.F.R. § 15.521(a).

3.16 Tobacco Products

Shipments containing tobacco or tobacco products, as those terms are variously defined under applicable state law ("Tobacco Product Shipments"), are accepted for transportation only from Shippers who are licensed and authorized to ship tobacco and tobacco products pursuant to applicable laws. UPS does not provide pick-up service from any person or entity included in the Bureau of Alcohol, Tobacco, Firearms and Explosives PACT Act – Non-Compliant List. Tobacco Product Shipments shipped to a consumer will only be accepted for transportation as a contractual service. However, because UPS prohibits Shipments of cigarettes to consumers under any circumstances, UPS does not offer a contractual service for the delivery of cigarettes to consumers. To receive service for Tobacco Product Shipments shipped to a consumer, the Shipper must sign and agree to the provisions set forth in an approved UPS agreement for the transportation of tobacco products. For all other service for Tobacco Product Shipments, the Receiver must be licensed and authorized to receive tobacco or tobacco products pursuant to all applicable federal, state, provincial, or local laws or regulations, and the Shipment must conform to the terms, conditions, restrictions, and prohibitions set forth at www.ups.com/tobacco at the time of shipping. It is the responsibility of the Shipper to ensure that a Shipment tendered to UPS, including a Tobacco Product Shipment, does not violate any federal, state, provincial, or local laws or regulations applicable to the Shipment.

UPS reserves the right to refuse to accept, transport, or deliver any Tobacco Product Shipment that UPS, in its sole and unlimited discretion, determines does not comply with UPS requirements for the shipment or any applicable law or regulation, and to discontinue any or all service to any Shipper for, among other reasons, tendering such a Shipment. UPS reserves the right to dispose of any Tobacco Product Shipment that Shippers are prohibited from shipping, that UPS is not authorized to accept, that UPS states that it will not accept, or that UPS has a right to refuse.

4. Provisions for Export and Customs Clearance of International Shipments

The Shipper (or the party tendering an international Shipment to UPS for service, referred to for purposes of this Section 4 as "Shipper") is responsible for compliance with all applicable U.S. export control requirements, and must provide UPS with all documentation and information required by the laws of the origin and destination countries for export and import of Shipments (i.e., for export and customs clearance). The Shipper is responsible for determining export and import licensing or permitting requirements for a Shipment, obtaining any required licenses and permits, and ensuring that the Consignee is authorized by the laws of the origin and destination countries to receive the Shipment. The Shipper must regularly review its import and export transactions and immediately notify UPS of any incorrect or incomplete information provided, including information filed with, or otherwise transmitted (whether in writing or electronically) to, a U.S. or other governmental agency. By tendering an international Shipment for service and providing UPS with documentation (including any Source Documents), the Shipper certifies that the documentation includes all required licenses and permits, that the statements in that documentation and any other information that the Shipper provides to UPS relating to exportation and importation are complete, true, correct, and in compliance with the laws of the origin and destination countries, and that the Consignee is authorized by the laws of the origin and destination countries to receive the Shipment. Furthermore, the Shipper understands that civil and criminal penalties including seizure and forfeiture, may be imposed for failing to provide UPS with all required documentation, licenses, permits, statements, and information, for making inaccurate, false, or fraudulent statements, or for violating U.S. or other country laws regulating exports or imports (see, e.g., 13 U.S.C. § 305; 18 U.S.C. §§ 545, 554 and 1001; 19 U.S.C. §§ 1595a and 1592; 22 U.S.C. § 401; and Subchapter C of 15 C.F.R. (i.e., The Export Administration Regulations)).

When an international Shipment is tendered to UPS, UPS is thereby appointed as the agent for performance of customs clearance in the destination country to the extent allowed by law. The Shipper shall provide all Powers of Attorney and other authorizations required by applicable law for UPS to serve as the Shipper's agent to perform customs clearance in the destination country. UPS is specified as the nominal Consignee for the purpose of designating a customs broker to perform customs clearance. Local authorities may require documentation confirming that UPS has been designated as the nominal Consignee.

Fines, penalties, liquidated damages, storage charges, or other expenses incurred as a result of an action by U.S. Customs and Border Protection (or any other U.S. or other country's government agency regulating imports or exports), or as a result of the failure of the Shipper or Consignee to provide complete, true, and correct documentation, statements, or information required by the laws of the origin and destination countries (including the failure to obtain a required license or permit) will be charged to the Shipper or Consignee along with any applicable duties, fees, or taxes, and any applicable late payment fees assessed by UPS. Unless a written agreement between UPS and the Shipper specifies otherwise, UPS reserves the right in its sole and unlimited discretion to charge the Shipper or Consignee for any such fines, penalties, liquidated damages, storage charges, expenses, duties, fees, taxes, or late payment fees. Regardless of any such written agreement specifying otherwise, in the event of non-payment by the Consignee, the Shipper is liable for all Charges.

The Shipper agrees to indemnify, defend, and hold harmless UPS, its parent corporation, and affiliated companies, their officers, directors, employees, agents, and their successors and assigns, from any and all claims, demands, expenses, or liabilities including, but not limited to, fines, penalties, liquidated damages, storage charges, duties, fees, taxes, late payment fees, or other money due, arising from the transportation, importation, exportation, or customs clearance of Shipments on behalf of the Shipper, or arising from the Shipper's noncompliance with the laws of the origin and destination countries, or UPS requirements applicable to the Shipment.

UPS provides routine customs clearance through UPS Supply Chain Solutions® brokerage offices designated by UPS for handling customs clearance of Shipments at no additional charge, except for UPS® Standard to and from Canada Shipments, for which a brokerage service charge applies. Other UPS Supply Chain Solutions® customs brokerage offices charge fees for the clearance of Packages and freight. For UPS Standard to Mexico, UPS Supply Chain Solutions® customs clearance is required. Failure to do so will result in Packages automatically returned to Shipper.

Additional charges may apply for complex customs clearance procedures, which include, but are not limited to, the following:

- Clearance procedures involving a government agency other than U.S. Customs and Border Protection;
- Customs Bonds;
- Drawbacks;

UPS® Tariff/Terms and Conditions of Service - United States

- Formal entries involving more than three tariff lines;
- Live Entries;
- Country of Origin Marking; or
- Temporary Import Bonds (T.I.B.).

UPS is under no obligation, unless the customer requests in writing and UPS agrees in writing, to undertake any pre- or post-importation action including, but not limited to, obtaining binding rulings, advising of liquidations, filing protests, or filing petitions for relief.

UPS may prepay duties, fees, or taxes on behalf of the payer. For importation into the United States, a fee will be assessed and billed to the importer. A fee may also apply for shipments to other countries.

For any claims arising from import, export or customs clearance activities, the liability of UPS (including UPS Supply Chain Solutions) shall be limited to the lesser of (i) \$50 per entry, filing, or transaction; or (ii) the amount of fees paid to UPS for such entry, filing, or transaction.

4.1 Electronic Export Information

If Electronic Export Information (EEI) is required to be filed through the Automated Export System (AES) under the Foreign Trade Regulations of the U.S. Bureau of the Census ("Census") (i.e., Part 30, 15 C.F.R.), and the Shipper has not filed the EEI and provided an Internal Transaction Number (ITN) to UPS to confirm that an EEI transaction was submitted to Census by the Shipper accepted and is on file in the AES, UPS will electronically file the required EEI on behalf of the Shipper, provided that all information required to file the EEI is supplied by the Shipper in the UPS Shipping System or other export documentation and UPS has received proper authorization or a Power of Attorney from the Shipper to complete and file the EEI. A processing fee will be assessed and billed to the Shipper. The Shipper is solely responsible for determining whether EEI is required to be filed through the AES for its shipment and for ensuring that the EEI is accurately and timely filed, whether by the Shipper or by UPS acting as the filing agent on behalf of the Shipper.

4.2 Certificate of Origin

UPS may, based solely on information that the Shipper furnishes, prepare a Certificate of Origin for goods manufactured and originating within the United States on behalf of the Shipper when one is required but not included with the export documents provided by the Shipper. When authorizing UPS to prepare a Certificate of Origin, the Shipper certifies that the information it provides to UPS is complete, true, and correct and that the completed Certificate of Origin complies with the laws of each country

where a claim will be made that the goods are manufactured and originate in the United States. A processing fee will be assessed and billed to the Shipper.

4.3 UPS Paperless® Invoice Service

A Shipper must register with UPS in advance of shipping to use UPS Paperless® Invoice service, where such services are available. By using UPS Paperless® Invoice service, the Shipper authorizes UPS to use the Shipper's letterhead and electronic signature to prepare true, correct, and paperless commercial invoices that reflect, in all material respects, the Shipper's sale transactions of merchandise to its buyers (i.e., the "Sold To" Parties) necessary to expedite in accordance with law the export and customs clearance of international Shipments. The Shipper shall provide to UPS in advance all required information including, but not limited to, the true and accurate price at which the merchandise was sold to the "Sold To" Party, any required additions to customs value (e.g., dutiable commissions, royalty/license fees, assists, packing costs, and proceeds of subsequent sales), the currency of the sale, country of origin, terms of sale, the quantities, ultimate Consignee, and a complete commercial description of the merchandise. By using the service, Shipper represents and certifies that any paperless commercial invoice that UPS prepares is true and accurate, which means that it is, in all material respects, an electronic copy of the same commercial invoice provided to the buyer. The Shipper shall have an affirmative, non-delegable duty to disclose to UPS any and all required commercial invoice information, and to ensure its accuracy and completeness. The Shipper must provide timely upload of PLD to use UPS Paperless® Invoice service.

4.4 Pre-Release Notification for Import Shipments

A Shipper or Consignee may request that UPS notify the Consignee prior to submission of a U.S. import Shipment to U.S. Customs and Border Protection so that the importer may validate the classification, valuation, or other import information. An additional fee applies for this service and will be billed to the importer or to the Shipper when the Shipper is selected as the payer of the duties and taxes for the Shipment.

4.5 Record-Keeping

The Shipper agrees and consents that UPS may preserve a record of the carriage for an international Shipment using means other than producing a copy of the air waybill. The Shipper has a duty to and is solely liable for maintaining all records as required under the export and customs or other laws of the origin and destination countries, unless otherwise agreed to in writing. UPS assumes no responsibility to act as a record-keeper or record-keeping agent for the Shipper.

5. UPS Import Control® Service

UPS Import Control® service allows a Shipper to process an import Shipment, including commercial invoice. Where available, a Shipper may use UPS Import Control® service to create a Print Import Label, Electronic Import Label, or Print and Mail Import Label to provide to the sender or party tendering the Shipment to UPS, or a Shipper may request 1 UPS Pickup Attempt or 3 UPS Pickup Attempts to request that UPS make pickup attempts to retrieve import Shipments from a sender's address. 3 UPS Pickup Attempts is not available for UPS Worldwide Express Freight® shipments. UPS Import Control® service is available only in countries where UPS pickup services are available. An additional charge will be assessed for each unique UPS Import Control label.

Shipments containing certain items are prohibited from being shipped and are not accepted by UPS for UPS Import Control® service including, but not limited to, Hazardous Materials Shipments requiring shipping papers, firearms, or Shipments requiring Delivery Confirmation Services. C.O.D. service is not available for UPS Import Control® Shipments.

The maximum actual or declared value for each UPS Import Control® Shipment is \$50,000 per Package and \$100,000 per pallet, provided that, for any UPS Import Control® Package or pallet with an actual or declared value in excess of \$1,000, the Shipper must ensure that a UPS high-value shipment summary is generated and signed by the UPS driver upon tender of the Shipment to UPS. If no high-value shipment summary is obtained and signed, the maximum actual or declared value of each such Package or pallet is limited to \$1,000.

Notwithstanding anything herein to the contrary, for all UPS Import Control® Shipments tendered to UPS for export from the U.S., that transit the U.S., or that contain U.S.-origin goods, the sender or tendering party is the exporter for purposes of the Export Administration Regulations ("EAR"), and it shall be responsible for determining licensing authority (license, license exception, or NLR) and obtaining the appropriate license or other authorization as provided in Section 4 (Provisions for Export and Customs Clearance of International Shipments). In no event shall a party arranging for UPS Import Control® service provide a writing assuming responsibility for determining licensing requirements and obtaining license authority for any UPS Import Control Shipment to the tendering party. UPS does not agree to serve as the exporter for purposes of the EAR.

6. Right of Inspection

UPS reserves the right in its sole and unlimited discretion to open and inspect any Shipment tendered to it for transportation, but is not required to do so.

7. Refusal of Service

UPS reserves the right to refuse to provide service, among other reasons, for any Shipment which by reason of the dangerous or other character of its contents may, in the sole judgment of UPS, soil, taint or otherwise damage other Shipments or UPS's equipment, or which is improperly or insecurely packed or wrapped, as determined by UPS in its sole judgment.

Before accepting any Shipment, UPS reserves the right to require sufficient verification, as determined by UPS in its sole and unlimited discretion, of the Shipper's name and address, or any other information necessary to accept the Shipment for service. UPS reserves the right to refuse to provide service for any Shipment or to or from any location, or to provide alternative service arrangements, or to intercept, hold or return any Shipment when, among other reasons, UPS, in its sole and unlimited discretion, determines that it is unsafe or economically or operationally impracticable to provide service, that its services are being used in violation of federal, state, or local law, or for fraudulent purposes, or when the account of the person or entity responsible for payment is not in good standing.

8. Packaging

It is the responsibility of the Shipper to ensure that proper packaging is used and that contents are adequately and securely packed, wrapped, and cushioned for transportation. Shipments must be so packed or wrapped as to meet UPS's published standards related thereto set forth in the Service Guide, or on the ups.com website, and as to pass tests set forth in the International Safe Transit Association ("ISTA") Procedure 3A, Procedure for Testing Packaged Products, published by ISTA. Acceptance of tender by UPS is not an indication that a Package is packed in accordance with UPS's published standards. In addition, any tested product must be free from damage and the packaging must afford reasonable protection as determined by UPS in its sole judgment.

Shipments containing goods of high value or high risk, including without limitation jewelry, pharmaceuticals, computers, hand-held electronic devices, mobile telephones, and electronic components of these, must not have labels, customized shipping labels (including as created in a UPS Automated Shipping System), markings, logos, or other written notice of contents contained within the Package.

The use of UPS-provided packaging is not a guarantee that an item is sufficiently packaged for transportation. UPS does not provide special handling for Shipments with "Fragile," orientation markings (e.g., "UP" arrows or "This End Up" markings), or any other similar such markings.

When shipping media of any type containing sensitive personal information (such as personal financial or health information), it is recommended that the Shipper retain a copy of the data and secure the data on the media through encryption or other technological means. UPS is not liable or responsible for loss of, damage to, or irretrievability of data stored on media of any type, or for loss of information, including without limitation personal, health or financial information. For the shipment of electronic media, or for breakable items, see the packaging guidelines located at the ups.com website. The guidelines advise against the use of UPS Express® Envelopes, UPS Express® Pak, or UPS Express® Pad Paks to ship sensitive personal information or breakable items.

UPS Worldwide Express Freight® Shipments must be palletized, stackable, able to be lifted by forklift, and shrink-wrapped or banded to a skid. Shipper must ensure that pallets and packaging comply with all applicable laws and regulations of the origin and destination country.

9. Use of UPS-Provided Materials and Services

UPS-provided materials including, but not limited to, packaging materials and supplies, envelopes, labels, label printers, shipping documents, publications and products are provided solely for the use of UPS Shippers to obtain UPS services on their behalf and to interact with UPS. Any other use of such UPS-provided materials is strictly prohibited.

UPS Express® Envelopes, UPS Express® Pak, UPS® Express Boxes, UPS® Express Tubes, UPS 10 KG Box® and UPS 2.5 KG Box® packaging may not be used for UPS® Ground, UPS® Standard, UPS 3 Day Select®, or UPS Worldwide Expedited® Shipments.

Under no circumstances may a Shipper sell any UPS-provided materials, products, or services to any third party without prior written authorization from UPS.

A weekly charge applies for use of UPS-provided thermal label printers.

10. Use of UPS Electronic Information Systems

Use of UPS electronic information systems to which Shippers are granted access by UPS and which are accessed by means of hardware, software, or internet interfaces, including UPS Shipping Systems, are subject to and will be governed by the terms in effect at the time of

shipping for the relevant system, including without limitation, the UPS Technology Agreement, the iShip® Master Enterprise Service Agreement, the ConnectShip® End User License Agreement, or that agreement licensing use of a UPS Ready® solution.

11. Timely Upload of PLD

The Shipper must provide Timely Upload of Package Level Detail ("PLD") to UPS. If timely upload of PLD is not provided, certain UPS services are unavailable, including but not limited to Direct Delivery Only, Ship to a UPS Access Point™ location, UPS Delivery Intercept® service, and UPS Proactive Response® service. Timely Upload of PLD as used in these Terms refers to the electronic transmission of all applicable PLD information to UPS at or before the time that Shipments are tendered to UPS. PLD includes, but is not limited to, Consignee's full name, complete delivery address, and Shipment dimensions and weight.

12. ZIP Code™/Postal Code Information

The Receiver's ZIP Code™ is a required part of the address for domestic Shipments. When available, ZIP+4™ should be used. The Receiver's postal code, telephone number, and contact name are required parts of the address for international Shipments.

13. P.O. Boxes

UPS does not provide Delivery to a P.O. Box. The Shipper must make every effort to obtain a street address. If the Shipper should use a P.O. Box address, the recipient's telephone number must be included. A Package addressed to a P.O. Box may experience delays, is not covered by any UPS Service Guarantee, and is subject to an Address Correction charge. Army Post Office (APO) and Fleet Post Office (FPO) addresses are not accepted.

14. UPS Customer Center and UPS Worldwide Express Freight® Center

Before accepting a Shipment tendered for transportation or releasing any Shipment at a UPS Customer Center or a UPS Worldwide Express Freight® Center to a Consignee or other recipient, UPS reserves the right to require sufficient verification, as determined by UPS in its sole and unlimited discretion, of the Shipper's or recipient's name, address, authorization to ship or receive the Shipment, or any other information UPS deems necessary to accept or release the Shipment in its sole and unlimited discretion. Persons tendering or picking up Shipments on behalf of a business may be required to provide identification issued by the business and a government-issued identification. A Residential Consignee will be required to provide a government-issued identification.

UPS® Tariff/Terms and Conditions of Service - United States

15. Third-Party Retailer

The UPS Store® locations are independently owned and operated by licensed franchisees of The UPS Store, Inc., a subsidiary of United Parcel Service, Inc., and are not agents of UPS. Other Third-Party Retailers are independently owned and operated businesses and are not agents of UPS. UPS assumes no liability other than to the Third-Party Retailer as the Shipper of the Package, for lost, damaged or delayed Packages sent by the Third-Party Retailer. Any such liability to the Third-Party Retailer is subject to the limitations set forth in the Terms. All inquiries regarding Packages shipped by any Third-Party Retailer must be directed to the Third-Party Retailer that shipped the Package. UPS will deal solely with the Third-Party Retailer in all matters concerning Packages shipped by any Third-Party Retailer including, but not limited to: tracking/tracing requests; claims and guarantees; C.O.D. preparation and remittance; return of undeliverable Packages; proper packaging and labeling; and billing. Even if UPS responds directly to customers of the Third-Party Retailer regarding tracking requests, UPS will not be liable to those customers. The Third-Party Retailer is solely responsible for the issuance of any refunds and claims to those who shipped Packages by the Third-Party Retailer. For any Package shipped by the Third-Party Retailer with a declared value in excess of \$1,000, the Third-Party Retailer must provide a copy of the high-value control log to UPS at the time of tender of the Package. The Third-Party Retailer shall not ship any articles which UPS does not accept for transportation. The Third-Party Retailer shall indemnify and hold harmless UPS in any action against UPS arising from the loss, damage, or delay of a Package shipped by the Third-Party Retailer.

16. UPS Access Point™ Locations

Packages that may be received for Delivery or tendered for shipment (meaning, Packages that have been processed for shipment prior to tender using a UPS Shipping System only) at a UPS Access Point™ location are subject to restrictions, including, without limitation, in regard to weight and size and actual and declared value, as set forth in the applicable Service Guide and on the ups.com website. Subject to modification by the Shipper, UPS Access Point™ locations will hold Packages for up to seven (7) calendar days. Refer to tracking detail for Package-specific information, including but not limited to, the last available pickup date. If the Shipment is not picked

up within seven (7) calendar days (or other time selected by the Shipper), it may be returned to the Shipper as undeliverable. See further details in Section 37 (“Special Handling of Undeliverable Shipments; Refused Shipments Returned”). Before accepting a Shipment tendered for transportation or releasing any Shipment at a UPS Access Point™ location to a Consignee or other recipient, a Shipper, Consignee, or other recipient may be required to produce sufficient verification of the Shipper’s or recipient’s name, address, authorization to ship or receive the Shipment, and any other information UPS deems necessary to accept or release the Shipment in its sole and unlimited discretion, including, without limitation, provision of government-issued identification.

17. Pickup Services – Scheduled

UPS offers the following Scheduled Pickup Services:

- *Daily On-Route Pickup*: When Daily On-Route Pickup service is selected, UPS will call at Shipper’s location each business day to pick up Packages while making deliveries in Shipper’s area.

For Daily Pickup, Daily On-Route Pickup, and Day-Specific Pickup, a weekly service charge based on the account’s weekly billing total, as reflected in the UPS billing system, will be assessed. The weekly billing total may not necessarily reflect all Packages tendered during a calendar week. For UPS Smart Pickup® service, a weekly service charge will be assessed.

Scheduled Pickup Services are not available for UPS Worldwide Express Freight® service.

18. UPS On-Call Pickup® Service

When UPS On-Call Pickup® service is requested by the Shipper, UPS will arrange (where reasonably practicable) a pickup at the Shipper’s location. An additional charge for UPS On-Call Pickup® service will be assessed.

UPS On-Call Pickup® service from a Residential address will be assessed an additional surcharge for residential pickup. If the Residential address is in a remote or less accessible area as designated by UPS, an additional surcharge for extended area or remote Residential pickup also will apply.

UPS On-Call Pickup® service must be requested for each UPS Worldwide Express Freight® Shipment pickup or drop-off (for door-to-door and non door-to-door services), and may not be combined with a Package pickup. No additional charge for UPS On-Call Pickup® service applies to UPS Worldwide Express Freight service.

19. Saturday Pickup; Processing Fee

UPS offers Saturday pickup of UPS Air Services Packages and UPS Hundredweight Service® Air Services Shipments for Delivery in the United States and Puerto Rico where such services are available and subject to a processing fee. The Shipper should contact UPS for information regarding UPS’s Saturday pickup area. - A Shipper may request Saturday pickup via UPS On-Call Pickup® service by contacting UPS on each Saturday, excluding holidays, on which the service is needed.
- At the Shipper’s option, UPS will call at the Shipper’s premises every Saturday, excluding holidays, to pick up qualifying Shipments. A minimum processing fee will be assessed if UPS calls at the Shipper’s premises on Saturday and there are no Packages to be picked up on that day.

The processing fee will be assessed for each UPS Air Services Package or each UPS Hundredweight Service® Air Services Shipment processed using a UPS Shipping System, tendered to UPS, or tendered to a Third-Party Retailer on a Saturday, in addition to any applicable UPS On-Call Pickup® charge.

20. Drop Shipment

A unique Drop Shipper account number will be assigned to approved Shippers and must be used solely for the origin and destination locations as specified in the UPS Drop Ship Letter of Understanding or as required by UPS.

UPS reserves the right to refuse any Drop Shipment request, in its sole and unlimited discretion, including, but not limited to, any Drop Shipment that is operationally or economically impracticable to transport. A request for Drop Shipment service is not reasonable unless the Shipper makes a prior arrangement with UPS, agreed to in advance by UPS, as to timing, location, and volume of the Drop Shipment.

When a Shipper, through prior arrangements with UPS, tenders Packages at UPS's receiving stations with a return address requiring a movement greater than a Zone 2 movement from the point of tender, any undelivered Packages will be returned automatically and will be charged at the rate applicable between the point of tender and the return address. The effective UPS Rates for the applicable shipment will apply.

UPS does not accept, and Shippers are prohibited from shipping, any Package via a Drop Shipment that contains Hazardous Materials, except for Limited Quantity/ORM-D Packages that are tendered for UPS Ground service in the 48 contiguous United States.

21. Delivery

UPS does not limit Delivery of a Shipment to the person specified as the Receiver in the UPS Shipping System. Unless the Shipper uses Delivery Confirmation service requiring a signature, UPS reserves the right, in its sole and unlimited discretion, to make a Delivery without obtaining a signature.

22. Direct Delivery Only Surcharge

Once available in 2015, where available and subject to a Direct Delivery Only surcharge, UPS may in its sole and unlimited discretion accept a Shipper's request to limit (1) reroutes of Packages to an alternate address by the Consignee (including but not limited to Delivery Change Requests, UPS My Choice® requests and address corrections) and (2) delivery to a UPS Access Point™ location following a first delivery attempt at a Residential address.

Direct Delivery Only does not limit UPS Delivery Intercept® requests or Delivery pursuant to UPS's driver release or Shipper Release procedures, and does not require signature on Delivery or Delivery to the person specified as the Receiver in the UPS Shipping System. The Shipper must provide timely upload of PLD to request Direct Delivery Only.

23. Residential Surcharge

A Residential Surcharge will apply if either the delivery address entered in the UPS Shipping System or the actual delivery address is considered Residential (regardless of a Shipper's designation of the address as Commercial).

24. Delivery Area Surcharge

A Delivery Area Surcharge or Extended Delivery Area Surcharge will apply to each Package delivered to certain ZIP Codes™ within the 48 contiguous states. A Remote Area Surcharge will apply to each Package delivered to, and any UPS On-Call Pickup service from, certain ZIP Codes within Alaska and Hawaii. Refer to the Area Surcharge listing at [ups.com/rates](https://www.ups.com/rates) or call 1-800-PICK-UPS® for the listings of effective applicable ZIP Codes for the Delivery Area Surcharge, Extended Delivery Area Surcharge and Remote Area Surcharge.

A Delivery Area Surcharge, Extended Delivery Area Surcharge or Remote Area Surcharge, respectively, will apply if either the delivery (or pickup, where applicable) address entered in the UPS Shipping System or the actual delivery (or pickup, where applicable) address falls within ZIP Codes designated by UPS as subject to such charges. Such charges apply in addition to all other applicable Charges, including but not limited to the Residential Surcharge.

25. Delivery Attempts; UPS Access Point™ Locations

If UPS is unable to deliver a Shipment, a notice will be left at the Consignee's address stating that Delivery has been attempted. Thereafter, a second and, if necessary, a third attempt to deliver the Shipment may be made without additional charge.

For Residential deliveries and where available, UPS may in its sole and unlimited discretion, after the first delivery attempt, deliver a Shipment to a UPS Access Point™ location, where such Shipment will be held for pickup. Requests for subsequent Delivery attempts are subject to additional Charges which will be assessed to the Consignee. For UPS Worldwide Express Freight® Shipments, only one Delivery attempt will be made and subsequent Delivery attempts are subject to additional charges which will be assessed to the Consignee. Refer to Section 30 ("Delivery Change Requests") for further information.

26. Hold for Pickup and Hold at Location Services

At the time a Shipper tenders a Shipment to UPS, the Shipper may request that UPS hold a domestic Package at a designated UPS Customer Center for pickup by the Consignee. For each such Shipment, the Shipper will complete an address label showing the words "Hold for Pickup," the

Consignee's name, telephone number, the name of a contact person, and the full address of the designated UPS Customer Center. In addition, the Shipper will apply a UPS Hold for Pickup label below the address label on the Shipment. Hold for Pickup is not available for international Package shipments.

For UPS Worldwide Express Freight® Shipments, the Shipper may request that UPS hold a UPS Worldwide Express Freight® Shipment at a UPS Worldwide Express Freight® Center location for pickup by the Consignee. For each such Shipment, the Shipper will complete an address label showing the words "Hold for Pickup," the Consignee's name, telephone number, the name of a contact person, and the full address of the Consignee (designated UPS Worldwide Express Freight® Center address not required).

UPS will hold the Shipment at the designated UPS Customer Center or UPS Worldwide Express Freight® Center and will attempt to contact the Consignee at the telephone number shown on the label. Shipments not picked up within five (5) business days from the date of arrival will be considered undeliverable.

27. Shipper Release

A Shipper may request that UPS release a Shipment on the first Delivery attempt. When Shipper Release is selected, UPS will make only one Delivery attempt, a signature will not be obtained upon Delivery, and a UPS Delivery record showing a completed Shipper Release delivery shall be conclusive proof that Delivery was completed. Shipper Release is provided solely at the Shipper's risk of loss or damage arising from the release of the Shipment by UPS and UPS will not be liable to Shippers or third parties for any damages arising from the release of the Shipment.

28. UPS carbon neutral

A Shipper may request that UPS offset the climate impact of a Shipment via UPS carbon neutral service by selecting UPS carbon neutral at the time a Shipment is tendered to UPS. By selecting UPS carbon neutral, UPS will purchase and retire in the appropriate registry a sufficient number of voluntary or regulatory carbon credits as determined by UPS in its sole and unlimited discretion to offset calculated carbon dioxide emissions. UPS carbon neutral is available only for Shipments shipped using a UPS Automated Shipping System. An additional charge will be assessed for each Package or pallet.

29. UPS Delivery Intercept® Service

After a domestic Package has been tendered to UPS but before Delivery, a Shipper may request that UPS return a Package to the Shipper,

UPS® Tariff/Terms and Conditions of Service - United States

reroute a Package (including a request by Shipper to correct an address), hold the Package for pickup at a UPS Customer Center, or hold a Package for future Delivery. UPS may in its sole and unlimited discretion also accept a UPS Delivery Intercept® request from a third party when the Shipper has requested that the third party's UPS account number be billed for such Package. UPS will honor a UPS Delivery Intercept® request in its sole and unlimited discretion where practicable and where the Shipper has guaranteed payment of applicable Charges resulting from the change.

An additional charge, set forth in the UPS Rates applicable to the Shipment in effect at the time of the request will be assessed for each Package returned to the Shipper, rerouted, or held for future Delivery. If a request to reroute a Package requires a Package movement from the original Receiver address beyond a UPS Zone 2, additional Charges also will apply. Such additional Charges will be calculated as a newly-initiated Shipment between the original Receiver address and the new rerouted address, and will include (but not be limited to) all applicable surcharges. All original Charges will continue to apply as if the Package were delivered to the original Receiver address. For a request to return to the Shipper, all applicable Charges will apply and be assessed to the Shipper, as set forth in Section 37 ("Special Handling of Undeliverable Shipments; Refused Shipments Returned").

The Shipper must provide timely upload of PLD to initiate a UPS Delivery Intercept® request.

30. Delivery Change Requests

After the Receiver has received notice from UPS that Delivery has or will be attempted, the Receiver may request that UPS hold a Package for pickup at a UPS Customer Center. After the Receiver has received notice from UPS that Delivery has been attempted, the Receiver may request that UPS return a Package to the Shipper, hold for future Delivery, reroute a Package, direct eligible Packages to a UPS Access Point™ location, redeliver to the original address a Package that was taken to a UPS Access Point location, or other such Delivery Changes as UPS in its sole and unlimited discretion may offer (collectively, "Delivery Change"). An InfoNotice® tag or postcard number is required for requests to reroute.

An additional charge set forth in the UPS Rates applicable to the Shipment in effect at the time of the request will be assessed to the Consignee for each Package rerouted, redelivered, directed to a UPS Access Point location, or held for future Delivery by a Delivery Change Request. If any Delivery Change Request requires a Package movement from the original Receiver address beyond a UPS Zone 2, additional Charges also will apply and be assessed to the Consignee.

Such additional Charges will be calculated as a newly-initiated Shipment between the original Receiver address and the new rerouted address, and will include (but not be limited to) all applicable surcharges. All original Charges will continue to apply as if the Package were delivered to the original Receiver address. For a request to return to Shipper, all applicable Charges will apply and be assessed to the Shipper, as set forth in Section 37 ("Special Handling of Undeliverable Shipments; Refused Shipments Returned").

For UPS Worldwide Express Freight® pallets, after the Receiver has received notice from UPS that Delivery will occur, the Receiver may request that UPS hold a pallet at a UPS Worldwide Express Freight® Center. After the Receiver has received notice from UPS that Delivery has been attempted, the Receiver may request that UPS return a pallet to the Shipper, hold for future Delivery, or make a Delivery Reattempt. Delivery Reattempt charges will apply to subsequent attempts to deliver UPS Worldwide Express Freight® Shipments beyond the first Delivery attempt. For requests to return to the Shipper, all applicable Charges will apply and be assessed to the Shipper.

UPS will honor a Delivery Change Request in its sole and unlimited discretion where practicable and where the Receiver has guaranteed payment of any applicable Charges resulting from the change. By requesting a Delivery Change, the Receiver acknowledges and agrees that the limitations of liability set forth in the Terms in effect at the time of Shipment apply to the Shipment subject to the Delivery Change Request and that the value originally declared by the Shipper, if any, shall continue to apply throughout the course of transportation pursuant to the Delivery Change Request. UPS assumes no liability other than to the Shipper of the Shipment for loss, damage, or delay of any Shipment subject to Delivery Change.

Delivery Change Requests for Packages containing firearms are not available. Delivery Change Requests to reroute or direct to a UPS Access Point location international Packages or Packages requiring an adult signature are not available. It is the responsibility of the Receiver to ensure that a Delivery Change Request complies with all federal, state and local laws and regulations applicable to the Shipment.

31. Correction of Addresses

If any Shipment as addressed by the Shipper has an incorrect or incomplete address (examples include, but are not limited to, P.O. Boxes, missing suite, apartment, or unit numbers, old addresses, and missing/incorrect ZIP Codes), UPS will make reasonable efforts, to be determined in its sole and unlimited discretion, to

secure the correct or complete address. An address validated by UPS may be incorrect or incomplete for purposes of completing Delivery, and may be corrected by UPS. If the correct or complete address is secured, UPS, at its sole and unlimited discretion, will attempt Delivery, and the Shipper, upon request, will be provided with the correct or complete address in order to update its internal records. UPS may in its sole and unlimited discretion correct or complete an address based on information obtained from the Shipper or Consignee. An address correction charge will be assessed to the Shipper for an address correction or completion.

32. Saturday Delivery

UPS offers optional Saturday Delivery where such services are available. A Shipper may request Saturday Delivery by indicating the selection in the UPS Shipping System and attaching a Saturday Delivery routing label to each Package or pallet. A Shipper may request UPS to obtain the signature of an adult 21 years of age or older on Delivery. UPS, in its sole and unlimited discretion, will determine if Delivery can be completed when such a request is made, and may request photo identification indicating the recipient's

UPS® Tariff/Terms and Conditions of Service - United States

UPS reserves the right to assess the Shipper the additional charge for this service when the Shipper requests UPS to obtain an adult signature on Delivery and an approved UPS label is not affixed to the Package or pallet indicating such request, or, the Shipper tenders a Package or pallet that, based upon its contents, requires an approved UPS label requesting an adult signature upon Delivery and no such label has been affixed to the Package or pallet.

34. UPS Next Day Air® Early A.M.® Verbal Confirmation of Delivery

Upon request, UPS will provide proof of Delivery of a Shipment via fax transmission, email, or mail. The request must include a fax number, including area code, for an operating fax machine, an email address for email delivery, or an address deliverable by the United States Postal Service for mail.

36. Tracking/Tracing and Refund Request Charge

UPS reserves the right to assess a Shipper an additional charge per request for each Tracking/Tracing and Refund Request initiated by or at the request of the Shipper. This charge will not be assessed for the first 50 tracking requests per calendar week, or for a quantity of tracking requests equal to or less than 20 percent of the Shipper's volume for that week, whichever is greater. This charge will not be assessed for a quantity of tracing requests equal to or less than two percent of the Shipper's volume for that week. UPS also reserves the right to assess the Shipper a charge set forth in the effective UPS Rates for Service Guarantee refund requests when the subject Shipment was delivered in accordance with the applicable UPS Service Guarantee in the effective Terms.

37. Special Handling of Undeliverable Shipments; Refused Shipments Returned

Shipments refused by the Consignee, or which cannot be delivered will be returned to the Shipper at Shipper's expense, including, but not limited to, forwarding costs, return transportation charges and all other applicable

Charges, duties, and taxes. Undeliverable international Shipments returned to the Shipper also are subject to an undeliverable Shipment surcharge set forth in the effective UPS Rates. The UPS Service Guarantee does not apply to undeliverable Shipments returned to the Shipper.

UPS reserves the right to dispose of a Shipment, including salvage (after retention of the Shipment for a reasonable period of time as determined by UPS, not to exceed 30 days) if the Shipment is refused by the Consignee or for any other reason cannot be delivered, and return of the Shipment is refused by the Shipper or the Shipment cannot otherwise be returned to the Shipper. The Shipper or Consignee's sole recourse in such circumstances shall be in accordance with and subject to Sections 52 ("Claims and Legal Actions: Individual Binding Arbitration of Claims") and 53 ("Responsibility for Loss or Damage").

38. C.O.D. Service

UPS accepts C.O.D. Packages for Delivery in the United States and Puerto Rico. C.O.D. service is not provided for international Shipments except for international Shipments originating in Canada for Delivery in the United States. C.O.D. service is not available for UPS Worldwide Express Freight® Service from any origin.

38.1 Preparation and Listing of C.O.D. Packages
Shippers not using a UPS Automated Shipping System must prepare and attach to each C.O.D. Package a UPS® C.O.D. tag showing the amount to be collected and enter such amount in the space provided for that purpose.

Shippers using a UPS Automated Shipping System will generate, and apply to each C.O.D. Package, a system-generated address label with a C.O.D. bar code and the amount to be collected for each individual Package. Each C.O.D. Package in a UPS Hundredweight Service® or UPS Ground with Freight Pricing C.O.D. Shipment must carry a C.O.D. tag or system-generated label for the goods contained in that Package.

38.2 Responsibility for C.O.D.s

Upon Delivery of each C.O.D. Package, UPS will attempt to collect the amount shown on the C.O.D. tag or the system-generated label attached to the Package and transmit to the Shipper the amount so collected (subject to the terms in Section 38.9, "Remittance of C.O.D.s," below), or, if collection cannot be made, will return the Package to the Shipper. The Shipper must notify UPS within 45 days from the date of shipment of a C.O.D. Shipment if the Shipper has not received payment of the C.O.D. amount, or any claim relating thereto shall be deemed waived. Suits shall be instituted within two years after denial of any portion of the claim.

If collection cannot be made within three Delivery attempts, or the Consignee refuses Delivery, UPS will return the Package to the Shipper.

38.3 Consignee's Checks in Payment of C.O.D.s

Unless instructions to collect a cashier's check or money order only are shown on the C.O.D. tag (in conformity with the instructions on the tag) or system-generated label, UPS will accept a check or other negotiable instrument issued by or on behalf of the Consignee. When instructions to collect a cashier's check or money order only are clearly indicated on the C.O.D. tag or system-generated label, UPS reserves the right to accept a cashier's check, money order, official bank check, or other similar instrument issued by or on behalf of the Consignee.

All checks or other negotiable instruments (including cashier's checks, official bank checks, money orders, and other similar instruments) tendered in payment of C.O.D.s will be accepted by UPS based solely upon the Shipper assuming all risk relating thereto, including, but not limited to, risk of non-payment, insufficient funds, and forgery, and UPS shall not be liable upon any such instrument.

All checks or other negotiable instruments (including cashier's checks, official bank checks, money orders, and other similar instruments) will be transmitted to the Shipper together with UPS's own check if Consignee check(s) collected are for less than the C.O.D. amount. Remittances (checks, money orders, etc.) received that are less than the C.O.D. dollar amount indicated by the Shipper will be reimbursed for the full amount unless the variance of the amount remitted is less than \$1.00.

38.4 C.O.D. Package of \$10,000 or More

UPS may require payment for any C.O.D. Package of \$10,000 or more to be received in a single check or other negotiable instrument such as a cashier's check, money order, official bank check, or other similar instrument.

38.5 Acceptance of Personal Check

In the event that UPS accepts a personal or company check when a Shipper has properly instructed UPS to collect a cashier's check or money order only, UPS reserves the right, in its sole and unlimited discretion, to deposit into a UPS account the personal or company check collected and to provide the Shipper with a check issued by UPS.

38.6 C.O.D. Remittance Verification

In the event that a Shipper timely notifies UPS that the Shipper has not received payment of the C.O.D. amount, if UPS's records show that it collected a C.O.D. payment and the remittance has not been cashed, UPS may, in its sole and unlimited discretion, provide the Shipper with

UPS® Tariff/Terms and Conditions of Service - United States

a digital image of the check or money order along with a C.O.D. Remittance Verification in order to assist the Shipper in locating the missing C.O.D. payment. If the Shipper is still unable to locate the C.O.D. payment, UPS may, in its sole and unlimited discretion, provide the Shipper with an indemnified C.O.D. check or money order, which is a digital image of the original payment collected by UPS at the time of Delivery and can be deposited in a bank, provided that the original check or money order has not previously been deposited or negotiated. If the indemnified check or money order turns out to be invalid for any reason including, but not limited to, insufficient funds or forgery, UPS shall not be liable upon the instrument.

38.7 Restrictions

C.O.D.s are accepted for amounts up to \$50,000 per Package.

C.O.D. Packages with an amount to be collected in excess of \$500 are not accepted for transportation via a UPS Drop Box.

Entry of a C.O.D. amount is not a declaration of value for carriage. Payment of the C.O.D. charge does not constitute payment of the declared value charge.

UPS will not accept currency in any amount for payment of C.O.D. Shipments.

38.8 Charges for C.O.D. Collections

An additional charge will be assessed for each C.O.D. Package tendered to UPS.

38.9 Remittance of C.O.D.s

Subject to the following provisions of this Section, UPS shall remit C.O.D. collections to the Shipper after the date of collection.

The Shipper irrevocably authorizes UPS to apply, in its sole and unlimited discretion and without prior notice to the Shipper, any C.O.D. collections to any past due Charges owed by the Shipper. To this end, if there are any past due Charges owed by the Shipper, the Shipper hereby (a) irrevocably assigns and transfers to UPS all of the Shipper's right, title and interest in and to each check or other negotiable instrument for payment of a C.O.D. that is received by UPS or its employee or agent, and (b) constitutes and appoints UPS as the Shipper's attorney-in-fact and authorizes UPS, in the Shipper's name, place, and stead, to endorse any such check or other negotiable instrument with the Shipper's name, to deposit the same into any UPS account, and to apply the proceeds of the same against any past due Charges owed by the Shipper. The Shipper acknowledges and agrees that such appointment of UPS as the Shipper's attorney-in-fact is coupled with an interest and is irrevocable. UPS may exercise any of its rights under this Section either directly or through any employee or agent.

The Shipper relinquishes, waives, and agrees not to assert any claim against UPS or any of its employees or agents, any Consignee, any collecting or paying bank, or any other person or entity, that may directly or indirectly arise as a result of UPS's exercise of any of its rights under this Section "Remittance of C.O.D.s." Without diminishing any of UPS's rights under the preceding sentence, the Shipper agrees that UPS and such other persons or entities shall not be liable to the Shipper or any other person or entity for any special, incidental, or consequential damages in any claim made with respect to UPS's exercise of any such rights.

The Shipper agrees that, following UPS's application of any C.O.D. collections to any past due Charges owed by the Shipper in accordance with this Section, the Shipper will continue to be fully liable for the payment of all remaining Charges owed by the Shipper (including, without limitation, (i) any Charges that are not covered by the application of the C.O.D. collections, and (ii) any Charges relating to a previously applied C.O.D. collection that is reversed by reason of the uncollectibility of the C.O.D. check or other negotiable instrument or otherwise).

Nothing in this Section shall constitute an election of remedies by UPS or any other person or entity or a waiver of any of the rights of UPS or any other person or entity under the remaining provisions of the Terms or at law or in equity.

Where available, UPS offers UPS Returns® Services (including UPS Authorized Return Service®, Print Return Label, Electronic Return Label, Print and Mail Return Label, 1 UPS Pickup Attempt, 3 UPS Pickup Attempts, UPS Returns® on the Web, and UPS Returns® Exchange). 3 UPS Pickup Attempts is not available for UPS Worldwide Express Freight® shipments. If any aspect of the Shipment information is incomplete or incorrect as determined by UPS in its sole and unlimited discretion, UPS may adjust Charges at any time.

UPS reserves the right in its sole and unlimited discretion to use any mode of transportation whatsoever to provide the service selected by the Shipper. Regardless of the mode of transportation used, the effective UPS Rates for the service selected by the Shipper shall apply. If, however, a Shipper selects a UPS service to a destination for which only a higher level of service is available, UPS will substitute the next higher level of available service and will charge the corresponding rate for the substituted service.

The rate for a Large Package will be based on the greater of the dimensional weight or the actual weight, and is subject to a minimum billable rate set forth in the UPS Rates applicable to the Shipment in effect at the time of the shipping.

A Large Package Surcharge (LPS) will be applied to each Large Package, including any Package that exceeds the weight or size restrictions set forth in Section 3.1 ("Items Not Accepted for Transportation"). Each Large Package in a multiple-package Shipment may receive an LPS. LPS will not apply to UPS Authorized Return Service® UPS Ground Packages, or to UPS Worldwide Express Freight® Shipments.

40.7 Over Maximum Limits Charge

Packages that exceed the weight or size restrictions set forth in Section 3.1 ("Items Not Accepted for Transportation") are subject to one or more of the following additional charges: Over Maximum Weight, Over Maximum Length, or Over Maximum Size. Such charges apply in addition to all other applicable Charges, including but not limited to the Large Package Surcharge.

40.8 Additional Handling Charge

An Additional Handling charge will be assessed for any Package that requires special handling, as determined by UPS in its sole and unlimited discretion, including, but not limited to:

- Any article that is encased in an outside shipping container made of metal or wood;
- Any cylindrical-like item, such as a barrel, drum, pail, or tire, that is not fully encased in a corrugated cardboard shipping container;

- Any Package with the longest side exceeding 60 inches or its second-longest side exceeding 30 inches;

- Any Package with an actual weight greater than 70 pounds; and

- Each Package in a UPS Hundredweight Service®, UPS Ground with Freight Pricing, UPS® Standard, or international Shipment (excluding UPS Worldwide Express Freight® Shipments) where the average weight per Package is greater than 70 pounds and the weight for each Package is not specified in the UPS Shipping System used.

40.9 Oversize Pallet Handling Surcharge

UPS Worldwide Express Freight® pallets are subject to maximum size and weight restrictions (which vary by origin and destination) as set forth at http://www.ups.com/media/en/wwef_max_dim.pdf. Pallets exceeding size or weight restrictions are not accepted for transportation without prior approval by UPS. Pallets that exceed these restrictions are subject to an Oversize Pallet Handling Surcharge.

41. Fuel Surcharges

UPS reserves the right to institute fuel surcharges on some or all Shipments without prior notice. The surcharges are subject to adjustment monthly. The surcharges may apply to any domestic or international transportation or other charges including, but not limited to, any accessorial charge or surcharge. The current fuel surcharges are set forth at <http://www.ups.com/bridge/fuelsurcharge.html>.

Regardless of the mode of transportation used, the effective fuel surcharge for the service selected by the Shipper shall apply. The surcharges will be applied to such services and for such periods as UPS, in its sole and unlimited discretion, may determine necessary.

42. Manual Processing Charges

UPS reserves the right to assess a manual processing charge of \$0.50 per Package or \$35 per week (whichever is greater) to Shippers who ship Packages using a UPS Shipping System that applies outdated UPS Rates until such time as the Shipper upgrades the UPS Shipping System to reflect current UPS Rates.

A manual processing service charge will be assessed to each Package shipped using a UPS 3 Day Select® or UPS Ground shipping document.

43. Billing Options for Domestic Shipments

Unless otherwise agreed to in writing by UPS, Charges will be billed to the Shipper.

UPS accepts Shipments for Collect billing and Third-Party billing, provided the Consignee or third party has a valid UPS account number and

UPS® Tariff/Terms and Conditions of Service - United States

has agreed to accept the Charges. Regardless of the billing option selected, some charges including, but not limited to, address correction charges, will be billed to the Shipper.

44. Billing Options for International Shipments

The amount billed includes, but is not limited to, Charges, duties, fees, and taxes, if applicable. Unless otherwise restricted in the origin or destination country, Shippers tendering Packages using a UPS Shipping System may select the payer of Charges, duties, and taxes as Shipper, Receiver, or Third Party. UPS accepts shipments for Receiver or Third Party billing provided the Receiver or Third Party has a valid UPS account number and has agreed to accept the Charges. In the event of non-payment by the Receiver or Third Party, the Shipper is liable for all Charges including, but not limited to, duties, fees, and taxes.

An additional Duty and Tax Forwarding Surcharge will apply if the Shipper selects a billing option in which duties and taxes are to be paid outside of the destination country.

UPS reserves the right in its sole and unlimited discretion to request advance payment of Charges for any Package sent to or from any international destination or origin.

For all Shipments where the Shipper is not paying the Charges, the Shipper must notify the bill payer prior to shipping, and agree to pay all Charges in the event of non-payment by the bill-to party. The Shipper is liable for payment in the event of non-payment by the Consignee (or Receiver) or third party. All Shipments must have a valid UPS billing option indicated on the UPS Shipping System entry. Regardless of the billing option selected, some charges including, but not limited to, address correction charges, will be billed to the Shipper.

45. Bill My Account

UPS may provide in its sole and unlimited discretion a Bill My Account service to registered Shippers to allow the Shipper to bill to its own account Charges incurred at UPS Customer Centers and participating Third-Party Retailer locations. A processing fee for using Bill My Account may apply and may vary by shipping location. When using Bill My Account, a Shipper with customized contract incentives that may otherwise apply to the account may be limited to certain maximum incentives ("Incentive Caps"). The applicable processing fee and Incentive Caps are subject to change without prior notice and are published at www.ups.com/billmyaccount. Incentive Caps and processing fees in effect at the time of shipping will apply to Shipments billed using Bill My Account.

46. Disbursement Fee

To expedite customs clearance, UPS may make or process payments of duties and taxes on behalf of the payer as dictated by the billing option selected. An additional fee, set forth in the UPS Rates applicable to the Shipment in effect at the time of shipping, will be assessed and billed to the payer.

47. Currency Conversion Rate

Charges to a payer's account in a foreign currency will be converted to the payer's currency using a weekly exchange rate secured through Major Money Center Banks, plus an exchange fee, set forth in the UPS Rates applicable to the Shipment in effect at the time of shipping.

48. Missing/Invalid Account Number or Refusal Fee

A processing fee will be charged for a missing or invalid account number when the account number, including the Shipper's account number, is missing, the account number is not the correct account number for the bill-to party, the account number is for a Receiver or third party who fails to pay the Charges, or the Package is shipped to an unauthorized Consignee. In the event of non-payment by the Receiver or third party, the Shipper will be billed a refusal fee plus the Charges.

49. Shipping Charge Corrections; Audit

UPS reserves the right to bill for Charges based upon the characteristics of, and services requested for, Shipments actually tendered to UPS. UPS also reserves the right to audit any Package, Shipment and/or invoice to verify service selection, dimensions, or weight, and applicability of any Charges. As part of that audit, UPS may weigh and measure any Package or Shipment tendered to UPS using any method UPS deems appropriate, including but not limited to multi-dimensional measuring devices. UPS may in its sole and unlimited discretion increase or adjust Charges based on the results of such audit. UPS reserves the right in its sole and unlimited discretion to bill for Charges based on shipping characteristics provided by the Shipper, regardless of whether UPS has audited the shipping characteristics. In the event that a Package's or Shipment's dimensions are altered during transit, UPS reserves the right to bill for Charges based on the altered dimensions.

50. Payment of Charges

Except where an alternative payment plan applies, UPS's payment terms require payment in full in advance.

UPS may provide in its sole and unlimited discretion alternative payment terms to certain of its Shippers. UPS, in its sole and unlimited discretion, shall decide which, if any, of the alternative payment plans described below (see "Alternative Payment Plans") will be made available to the Shipper.

A Shipper that is not enrolled in any of the Alternative Payment Plans described below shall pay all Charges in advance of shipment, as required by UPS.

Notwithstanding any billing plan that is in effect or payment or billing option selected at the time of shipment, the Shipper is ultimately liable for and agrees to pay all Charges, including in the event of insolvency, bankruptcy, non-payment, or refusal to pay by the Receiver or third party.

All Charges must be paid in the lawful money of the United States of America.

If a Shipper submits Shipment information to UPS through a UPS Shipping System and does not subsequently tender such Shipment to UPS, it is the Shipper's sole responsibility to request an adjustment, as set forth below (see Section 50.1, "Invoice Adjustment"). Shippers who fail to do so will be liable for all applicable Charges.

As an accommodation to the Shipper, and in UPS's sole and unlimited discretion, UPS may render invoices or copies of invoices to a third party at the request of the Shipper. The Shipper remains responsible for the timely payment in full of all Charges owed by the Shipper. By requesting UPS to render invoices or copies of invoices to a third party, the Shipper is deemed to authorize the third party to act on behalf of the Shipper, and UPS may rely thereon in all respects.

UPS also may in its sole and unlimited discretion elect to render an invoice that includes amounts owed for services provided by UPS affiliates.

If Charges are paid by payment card or by an electronic payment method, the Shipper expressly authorizes UPS to assess any Charges and to obtain payment of the Charges by use of the payment card or electronic payment method. If, for any reason, any such transaction is rejected or declined, the Shipper will pay to UPS a declined transaction fee of ten dollars (\$10) per incident, in addition to any late payment fees assessed by UPS and any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper. The Shipper authorizes UPS to charge the declined transaction fee to the Shipper's payment card account or electronic payment account or to collect the fee directly from the Shipper, at UPS's sole option.

UPS® Tariff/Terms and Conditions of Service - United States

If, for any reason, a negotiable instrument submitted to UPS as payment for Charges is returned to UPS unpaid, or an electronic request for payment is dishonored, UPS may charge the Shipper a dishonored payment fee of twenty dollars (\$20) per incident, in addition to any late payment fees assessed by UPS and any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper.

UPS may provide trade credit information on its Shippers to commercial reporting agencies.

50.1 Invoice Adjustment

Requests for an invoice adjustment (e.g., adjustment of Charges based on an incorrect rate, billable weight, account number, failure to tender a Shipment, type of service, shipping charge correction, etc.) or a refund due to a duplicate payment must be received by UPS within 180 days of receiving the contested invoice, or any billing dispute is waived. Notification to UPS of a request for an invoice adjustment must be made in writing using one of the following methods:

- Submit a request through UPS's online Billing Center at ups.com/billing;
- Email a request to UPS through the ups.com® website using the "Support Category" "billing"; or
- Mail a request to United Parcel Service, P.O. Box 7247-0244, Philadelphia, PA 19170-0001.

The notification to UPS must include the date of shipment, the tracking number for each disputed charge, and the reason for the disputed charge. A partial payment against an invoice is not considered a request for an invoice adjustment or notice to UPS of a disputed charge. UPS reserves the right to refuse to issue any invoice adjustment until all outstanding Charges owing to UPS have been paid in full.

The filing of a lawsuit does not constitute notification by the filer or on behalf of any other party.

A right or claim, of any kind, to challenge the amount invoiced is conditioned upon full and strict compliance with all requirements regarding notice set forth in this Section; otherwise, failure to comply with the notice requirements set forth in this Section constitutes agreement to pay the amount in the invoice. Full and strict compliance with this Section is required, even where it is believed that such compliance would not result in relief or would otherwise be futile.

50.2 Alternative Payment Plans

Where UPS elects to make an alternative payment plan available to the Shipper, UPS may render an invoice to the Shipper on a weekly (i.e., seven days) or a monthly (i.e., four or five calendar

weeks) basis. A weekly invoice will include the Charges incurred in the previous week. Notwithstanding that UPS has elected to render an invoice to the Shipper on a weekly basis, an invoice may be issued only when the Shipper has incurred aggregate Charges in excess of ten dollars (\$10), or when five (5) calendar weeks have elapsed from the date of issuance of the last invoice, whichever event occurs first. A monthly invoice will include the Charges incurred for the four- or five-week period for which the invoice is issued. In its sole and unlimited discretion, UPS may offer one or more of the following alternative payment plans for the payment of Charges:

– Electronic Funds Transfer Plan (Debit EFT)

By written agreement with UPS, the Shipper will provide UPS with the Shipper's bank account number and bank routing number to enable UPS to electronically request payment, for all Charges incurred by the Shipper, directly from the Shipper's bank, on a weekly or monthly basis. The Shipper's bank will remit the amount requested to UPS and deduct that amount from the Shipper's bank account. Payments to UPS will be shown on the Shipper's bank statements. The Shipper is responsible for payment of any fees imposed by the Shipper's bank. Additionally, the Shipper will receive a weekly or monthly invoice, as applicable, except as described above, from UPS listing the services provided for the applicable billing period. If, for any reason, an electronic request for payment is dishonored, the Shipper is responsible for making a timely payment directly to UPS. Past due balances will be subject to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper. No late payment fee shall be assessed with respect to the Electronic Funds Transfer Plan.

– Monthly Prepayment Plan

By written agreement with UPS, the Shipper will make a prepayment with UPS in an amount equal to four weeks' anticipated Charges as estimated by UPS. Upon notice to the Shipper, the required prepayment amount may be changed by UPS at any time to reflect a revised estimate of four weeks' Charges. All prepayment amounts will remain on account with UPS. No interest will be paid or accrued on the prepayment amounts.

The Charges incurred for the applicable month will be totaled and billed to the Shipper on a monthly basis. Payment is due within seven (7) days after receipt of the UPS invoice. Past due balances will be subject to a late payment fee as described below in addition to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper.

– Weekly Prepayment Plan

By written agreement with UPS, the Shipper will make a prepayment with UPS in an amount equal to four weeks' anticipated Charges as estimated by UPS. Upon notice to the Shipper, the required prepayment amount may be changed by UPS at any time to reflect a revised estimate of four weeks' Charges. All prepayment amounts will remain on account with UPS. No interest will be paid or accrued on the prepayment amounts.

Shipper will receive invoices on a weekly basis, except as described above. Each invoice will list the previous period's Charges incurred. Payment for all accumulated Charges will be due within seven (7) days following the Shipper's receipt of every fourth invoice; however, if prior to receiving the fourth invoice the Shipper's accumulated Charges should equal or exceed the prepayment amounts on account with UPS, then the accumulated Charges will be due within seven (7) days following the Shipper's receipt of the invoice requiring such payment. Past due balances will be subject to a late payment fee as described below, in addition to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper.

– Special Payment Plan

By written agreement with UPS, the Shipper may prepay an amount equal to the anticipated Charges for a period of between ten to twenty-six weeks, as estimated by UPS. The Charges actually incurred by the Shipper will be deducted by UPS on a weekly basis from the prepayment amounts on account with UPS. Weekly invoices marked as paid will be forwarded to the Shipper reflecting the balance of the prepayment amount on account with UPS. When the prepayment amount on account with UPS reaches the minimum balance specified in the written agreement, the Shipper is required to make another prepayment for an additional period pursuant to the same agreement, or, if the Shipper does not do so, the Shipper must make another payment arrangement with UPS. All prepayment amounts will remain on account with UPS. No interest will be paid or accrued on the prepayment amounts. If the Charges incurred by the Shipper exceed the remaining balance of the prepayment amounts on account with UPS, the excess Charges will be due within seven (7) days following the Shipper's receipt of the invoice requiring such payment. Past due balances will be subject to a late payment fee as described below in addition to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper. This payment plan alternative is available only to existing customers already approved for a Special Payment Plan.

UPS® Tariff/Terms and Conditions of Service - United States

– Credit Extension Plan

By written agreement with UPS, the Shipper may elect to pay an annual credit extension fee and thereafter receive invoices for Charges incurred by the Shipper on a monthly basis with no prepayment requirement. The invoices will be payable within seven (7) days following receipt by the Shipper. The credit extension fee is based upon the Shipper's total annual Charges, as estimated by UPS, and is subject to change annually by UPS in its sole and unlimited discretion. To be eligible for the Credit Extension Plan, the Shipper must use UPS's transportation services and the Credit Extension Plan solely for business, commercial, or agricultural purposes. A Shipper is not eligible for the Credit Extension Plan if the Shipper uses UPS's transportation services and the Credit Extension Plan for any personal, family, or household purposes. By using the Credit Extension Plan (if made available to the Shipper), the Shipper represents, warrants, certifies, and agrees that it will use UPS's transportation services and the Credit Extension Plan solely for business, commercial or agricultural purposes and not for any personal, family, or household purposes. Past due balances will be subject to a late payment fee as described below in addition to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper.

– Weekly Payment Plan

Each week the Shipper will receive an invoice for the previous week's Charges except as described above. The invoice is due within seven (7) days of receipt. No prepayment is required under this plan.

Past due balances will be subject to a late payment fee as described below in addition to any collection costs which may be incurred by UPS in the final collection of Charges owed by the Shipper.

– Credit Card Payment Plan

The Shipper may elect to pay the previous week's Charges by credit card. The Shipper will receive billing detail itemized on its card statement or a weekly invoice, except as described above, from UPS listing the previous period's Charges incurred. The Shipper will provide UPS with the Shipper's credit information to enable UPS to process Charges incurred by the Shipper on a weekly basis.

Shipper acknowledges and agrees that there may be a delay of two or more days between the date that payments are received by UPS and the date that the payments are posted and credited to the Shipper's account with UPS. If a UPS remittance advice is attached to the Shipper's payment, the

payment will be credited accordingly. If no remittance advice is attached to the Shipper's payment, the payment will be credited to the Shipper's account.

50.3 Late Payment Fee

For the Monthly Prepayment Plan, the Weekly Prepayment Plan, the Special Payment Plan, the Credit Extension Plan, and the Weekly Payment Plan, a late payment fee will be assessed if the Shipper's payment is not received by UPS within fourteen (14) days of the invoice due date. Except as otherwise stated below, the late payment fee will equal six percent (6%) of the total past due balance of the Shipper's invoice (including without limitation any previously assessed but unpaid late payment fees) that is fourteen (14) days past due.

In determining the late payment fee for the Monthly Prepayment Plan and the Weekly Prepayment Plan, UPS will apply the prepayment amounts on account with UPS to reduce the calculated base amount on which the late payment fee is assessed, provided that UPS will so apply the prepayment amounts to the oldest outstanding invoice first, and to each subsequent invoice thereafter, until the prepayment amounts have been fully so applied. If an invoice 14 days past due is fully so covered by the prepayment amount, no late payment fee will apply. If an invoice 14 days past due is partially so covered by the prepayment amount, the late payment fee will apply to the portion not so covered by the prepayment amount.

For the Special Payment Plan, a late payment fee will not be assessed if there has been a positive balance in the Shipper's prepayment account with UPS at any time during the 27-day period immediately preceding the transmittal of the current invoice to the Shipper. The late payment fee for the Special Payment Plan will be assessed on the "charges this period" of the Shipper's invoice (including without limitation any previously assessed but unpaid late payment fees) that is fourteen (14) days past due.

A late payment fee will be assessed only once on each invoice that is fourteen (14) days past due. Each late payment fee will be due and payable within seven (7) days following the Shipper's receipt of the invoice that first reflects the assessment of the late payment fee. The late payment fee is in addition to any collection costs that may be incurred by UPS in the final collection of Charges owed by the Shipper. Neither the assessment nor the payment of a late payment fee will (a) affect the Shipper's responsibility to pay all Charges owed, or (b) in any manner preclude UPS from exercising any of its rights or remedies hereunder or under applicable law.

52. Claims and Legal Actions:

Individual Binding Arbitration of Claims

Time Limits and Pleading Requirements for Claims/No Right to Set Off

Claims against UPS must be made within strict time limits, including as set forth in Section 50.1 ("Invoice Adjustment") regarding invoice adjustments or billing disputes; Section 52.3 ("Time Limit For Filing Claims For Loss Or Damage To Property") regarding claims for loss or damage to property; and pursuant to Section 51, UPS's Service Guarantee.

All claims against UPS arising out of or related to the provision of services by UPS, including, but not limited to, demands for damages, refunds, credits, and any legal or equitable relief whatsoever, shall be extinguished unless the Claimant (1) timely and completely complies with all applicable notice and claims periods set forth in the Terms and in the Service Guide, including as to claims for loss or damage to property under Section 52.3, claims under Section 51, UPS's Service Guarantee, claims for invoice adjustments under Section 50.1, or claims for breach of contract or any other cause of action; and (2) pleads on the face of any complaint filed in court against UPS or states in its submission of its claim in arbitration against UPS, as the case may be, satisfaction and compliance with those notice and claims periods as a contractual condition precedent to recovery. Claimants may not deduct the amounts of pending claims from any Charges owed to UPS, and the Shipper waives any and all rights, including any statutory or common law rights, to set off the amount of any claim against Charges owed to UPS.

Agreement to Arbitrate Claims

Claimant and UPS agree that, except for disputes that qualify for state courts of limited jurisdiction (such as small claims, justice of the peace, magistrate court, and similar courts with monetary limits on their jurisdictions over civil disputes), any controversy or claim, whether at law or equity, arising out of or related to the provision of services by UPS, regardless of the date of accrual of such dispute, shall be resolved in its entirety by individual (not class-wide nor collective) binding arbitration.

Arbitration is the submission of a dispute to a neutral arbitrator, instead of a judge or jury, for a final and binding decision, known as an "award." Arbitration provides for more limited discovery than in court, and is subject to limited

UPS® Tariff/Terms and Conditions of Service - United States

review by courts. Each party has an opportunity to present evidence to the arbitrator in writing or through witnesses. An arbitrator can only award the same damages and relief that a court can award under the law and must honor the terms and conditions in the Terms.

Claimant and UPS agree that their sole relationship is a contractual one governed by the Service Guide and Terms. Any controversy or claim arising out of or related to the provision of services by UPS shall be resolved solely based on the agreements set forth in the Service Guide and Terms.

Institutional Arbitration

The arbitration shall be conducted by the American Arbitration Association (AAA) in accordance with its Commercial Arbitration Rules and the Supplementary Procedures for Consumer-Related Disputes (the "Rules"), and judgment on the award may be entered in any court of competent jurisdiction. The Rules, including instructions for how to initiate arbitration, are available at <http://www.adr.org> or by calling the AAA at 1-800-778-7879. The arbitrator shall decide all issues of the case on the basis of the applicable law, not equity. If you initiate arbitration, you must serve UPS's registered agent for service of process, Corporation Service Company, which has locations in every state. Information also can be found on the website of your local Secretary of State.

Any arbitration under this Agreement will take place on an individual basis; class, mass, consolidated or combined actions or arbitrations or proceeding as a private attorney general are not permitted. Claimant and UPS are each waiving the right to trial by jury. Claimants and UPS are further giving up the ability to participate in a class, mass, consolidated or combined action or arbitration.

Place of Arbitration/Number of Arbitrators/Costs of Arbitration/Governing Law/Survival
Any arbitration will take place in the county where Claimant resides and will be determined by a single arbitrator.

Any filing fee or administrative fee required of Claimant by the AAA Rules shall be paid by Claimant to the extent such fee does not exceed the amount of the fee required to commence a similar action in a court that otherwise would have jurisdiction. For all non-frivolous complaints, UPS will pay the amount of such fee in excess of that amount. The arbitrator will allocate the administrative costs and arbitral fees consistent with the applicable rules of the American Arbitration Association. Reasonable attorney's fees and expenses will be allocated or awarded only to the extent such allocation or award is available under applicable law.

All issues are for the arbitrator to decide, except that issues relating to the scope, application, and enforceability of the arbitration provision are for a court to decide. The Federal Arbitration Act governs the interpretation and enforcement of this provision. This agreement to arbitrate shall survive termination of the Terms.

Severability

Notwithstanding anything to the contrary in the AAA Rules, if any part of this arbitration provision is deemed invalid or ineffective for any reason, this shall not affect the validity or enforceability of the remainder of this arbitration provision, and the arbitrator shall have the authority to amend any provisions deemed invalid or ineffective to make the same valid and enforceable.

Desk Arbitration

For all disputes concerning an amount less than fifteen thousand dollars (\$15,000.00), the parties shall submit their arguments and evidence to the arbitrator in writing and the arbitrator shall make an award based only on the documents; no hearing will be held unless the arbitrator in his or her discretion, and upon request of a party, decides it is a necessity to require an in-person hearing. For a dispute governed by the AAA Consumer-Related Disputes Supplementary Procedures, and concerning an award between fifteen thousand dollars (\$15,000.00) and fifty thousand dollars (\$50,000.00), inclusive, UPS shall pay Claimant's filing fee under the AAA Rules, provided that Claimant agrees that both parties shall submit their arguments and evidence to the arbitrator in writing and that the arbitrator shall make an award based only on the documents, without a hearing being held. Notwithstanding this provision, the parties may agree to proceed with desk arbitration at any time.

Access to Small Claims Courts

All parties shall retain the right to seek adjudication in a state court of limited jurisdiction, such as small claims, justice of the peace, magistrate court, and similar courts with monetary limits on their jurisdiction over civil disputes, for individual disputes within the scope of such court's jurisdiction.

Acknowledgements

Claimant and UPS acknowledge and agree that pursuant to these Terms:

– CLAIMANT AND UPS AGREE THAT WE ARE WAIVING THE RIGHT TO HAVE A TRIAL BY JURY TO RESOLVE ANY DISPUTE ALLEGED AGAINST CLAIMANT, UPS OR RELATED THIRD PARTIES;

– CLAIMANT AND UPS AGREE THAT WE ARE WAIVING THE RIGHT TO HAVE A COURT, OTHER THAN A STATE COURT OF LIMITED JURISDICTION AS DEFINED ABOVE, RESOLVE ANY DISPUTE ALLEGED AGAINST CLAIMANT, UPS OR RELATED THIRD PARTIES;

– CLAIMANT AND UPS AGREE THAT WE ARE WAIVING THE RIGHT TO HAVE A COURT REVIEW ANY DECISION OR AWARD OF AN ARBITRATOR, WHETHER INTERIM OR FINAL, EXCEPT FOR APPEALS BASED ON THOSE GROUNDS FOR VACATUR EXPRESSLY SET FORTH IN SECTION 10 OF THE FEDERAL ARBITRATION ACT.

– CLAIMANT AND UPS AGREE THAT WE ARE WAIVING THE RIGHT TO SERVE AS A REPRESENTATIVE, AS A PRIVATE ATTORNEY GENERAL, OR IN ANY OTHER REPRESENTATIVE CAPACITY, JOIN AS A CLASS MEMBER, AND/OR TO PARTICIPATE AS A MEMBER OF A CLASS OF CLAIMANTS IN ANY CLASS, MASS, CONSOLIDATED OR COMBINED ACTION OR ARBITRATION FILED AGAINST CLAIMANT, UPS AND/OR RELATED THIRD PARTIES.

Award

The arbitrator may award money or equitable relief in favor of only the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim. Similarly, an arbitration award and any judgment confirming it apply only to that specific case; it cannot be used in any other case except to enforce the award itself. To reduce the time and expense of the arbitration, the arbitrator will not provide a statement of reasons for his or her award unless a brief explanation of the reasons is requested by one of the parties. Unless both Claimant and UPS agree otherwise, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of a representative, private attorney general or class proceeding.

Confidentiality of Arbitration

Notwithstanding anything to the contrary in the AAA Rules, UPS and Claimant agree that the filing of arbitration, the arbitration proceeding, any documents exchanged or produced during the arbitration proceeding, any briefs or other documents prepared for the arbitration, and the arbitral award shall all be kept fully confidential and shall not be disclosed to any other party, except to the extent necessary to enforce this arbitration provision, arbitral award or other rights of the parties, or as required by law or court order. This confidentiality provision does

UPS® Tariff/Terms and Conditions of Service - United States

not foreclose the American Arbitration Association from reporting certain consumer arbitration case information as required by state law.

52.1 Making Claims for Loss or Damage to Property

All claims for loss of or damage to property transported or accepted for transportation must: (1) be in writing (or an electronic communication) and must include reference to the Source Document or pickup record number and date of shipment or copies of other documents sufficient to identify the Shipment involved, and the declared value; (2) assert the liability of UPS for alleged loss or damage; (3) make claim for payment of a specified or determinable amount of money; and (4) be accompanied by a copy of the original invoice or, if no invoice was issued, other proof, certified to in writing, as to the purchase price paid by the Consignee (where the property involved has been sold to the Consignee), actual cost or replacement cost of the property, or extent of the damage to the property.

No claims will be voluntarily paid unless filed in writing or transmitted electronically by or on behalf of the Shipper in accordance with these provisions.

A request for proof of Delivery or damage inspection or the filing of a lawsuit do not constitute notification of a claim.

A right or claim, of any kind, for loss or damage to property is conditioned upon full and strict compliance with this Section 52.1 and Sections 52.3 through 52.6. Full and strict compliance with this Section is required, even where it is believed that such compliance would not result in relief or would otherwise be futile.

52.2 Acknowledgment of Claims for Loss or Damage to Property

After receiving a proper written or electronic transmission of a claim in the manner and form and with the supporting documents described in Section 52.1 ("Making Claims for Loss or Damage to Property") and Section 52.4 ("Investigation of Claims for Loss or Damage to Property") herein, UPS or its designee will acknowledge the receipt of such claim in writing or electronically to the claimant within 30 days after the date of receipt, unless such claim has already been paid or denied in writing or electronically. UPS will at the time each claim is received create a separate file and assign thereto a successive claim file number and note that number on all documents filed in support of the claim and all records and correspondence with respect to the claim, including the written acknowledgment of receipt and, if in its possession, the Source Document and delivery receipts, if any, covering the Shipment involved. At the time such claim is received, UPS will cause the

date of receipt to be recorded on the face of the claim document, and the date of receipt will also appear on the acknowledgment of receipt sent to the claimant.

52.3 Time Limit for Filing Claims for Loss or Damage to Property

As a condition precedent to recovery, all claims for loss or damage to property must be filed in writing or electronically with UPS within the following time limits:

- For domestic Shipments, claims must be filed within nine months after Delivery of the Package or, in case of failure to make Delivery, within nine months after a reasonable time for Delivery has elapsed.
- For international Shipments, claims must be filed within sixty days after Delivery of the Package or pallet or, in the case of non-Delivery, within sixty days after a reasonable time for Delivery has elapsed.
- Suits shall be instituted within two years after denial of any portion of the claim. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, such claims shall be deemed waived and will not be paid.

52.4 Investigation of Claims for Loss or Damage to Property

- **Prompt Investigation.** Each claim for loss or damage to a Package or Shipment filed in the manner prescribed herein will be promptly and thoroughly investigated, if investigation has not already been made prior to receipt of the claim.
- **Supporting Documents.** Each claim must be supported by the following: (1) evidence of payment of the shipping and any declared value charges; and (2) either the original invoice or a photocopy, exact copy, or extract of, the original invoice, a certification of prices or costs, with trade or other discounts, allowance, or deductions of any nature whatsoever and the terms thereof, or depreciation reflected thereon. Where the property involved in a claim has not been invoiced to the Consignee shown on the bill of lading or receipt, where an invoice does not show price or cost, where the property involved has not been sold, or where the property has been transferred at bookkeeping values only, UPS will, before paying a claim, require the claimant to establish the value in the quantity shipped, transported, or involved. UPS reserves the right to request the original shipping record or Source Document.

For an asserted claim of \$1,000 or more for a Package processed through a UPS Shipping System and tendered to a UPS driver, a copy of the signed high-value shipment summary applicable to the Shipment obtained by the Shipper

and signed by the UPS driver at the time of tender may be required to support the claim. UPS reserves the right to refuse to pay any claim if, having requested such a signed high-value shipment summary, no such summary is provided.

For an asserted claim of \$1,000 or more for an international UPS Returns® or a UPS Import Control® Package or pallet, the signed UPS high-value shipment summary applicable to the Shipment must be submitted in support of the claim.

By filing a claim and supporting documents to UPS, the claimant certifies that the claim, amount of claim, and supporting documents are true and correct.

- **Original Packaging Materials.** In the event that a claim is made for damage to a Shipment, the original packaging materials must be made available to UPS or its designee for inspection prior to reshipment.

- **Verification of Loss.** When an asserted claim for loss of an entire Package or pallet or an entire Shipment cannot be otherwise authenticated upon investigation, UPS will obtain from the Consignee of the Shipment involved a certified statement in writing that the property for which the claim is filed has not been received from UPS or from any other source. UPS reserves the right to require verification by the filing of a police report and providing a copy of the filed report to UPS in support of the claim.

52.5 Salvage

When UPS pays the actual cost, the purchase price, or the replacement cost of the property, all rights, title to, and interest in the property shall thereupon pass to UPS, and UPS reserves the right to obtain the property for salvage. Payment of a claim in such circumstances shall be contingent on UPS's receipt of the damaged property in the same condition as on the date the damage was incurred.

52.6 Disposition of Claims for Loss or Damage to Property

UPS or its designee, after receiving a written claim for property transported, will pay, decline, or make a firm compromise settlement offer in writing to the claimant within 120 days after UPS receives the claim; provided, however, that if the claim cannot be processed and disposed of within 120 days after receipt, UPS or its designee will at that time and at the expiration of each succeeding 60-day period while the claim remains pending, advise the claimant in writing of the status of the claim and the reason for the delay in making final disposition thereof and shall retain a copy of such notice to the claimant in its claim file.

UPS® Tariff/Terms and Conditions of Service - United States

No claim for loss or damage shall be paid unless a valid claim has been filed in accordance with terms set forth herein (in Section 52.1, "Making Claims for Loss or Damage to Property," Section 52.3, "Time Limit for Filing Claims for Loss or Damage to Property" and Section 52.4, "Investigation of Claims for Loss or Damage to Property"). UPS reserves the right to refuse to pay any claim for loss or damage to property until all outstanding Charges owing to UPS have been paid in full. UPS reserves the right to refuse to pay any claim for loss of property if, having requested a detailed description of the property, no such description is provided.

53. Responsibility for Loss or Damage

UPS's liability for loss or damage to each UPS domestic Package or international Shipment, or to each pallet in a UPS Worldwide Express Freight® Shipment, is limited to a value of \$100, except as set forth below. Unless a greater value is recorded in the declared value field of the UPS Source Document or the UPS Automated Shipping System used, the Shipper agrees that the released value of each domestic Package or international Shipment, or pallet is no greater than \$100, which is a reasonable value under the circumstances surrounding the transportation, and that UPS shall not be liable for more than \$100 for each domestic Package or international Shipment or pallet.

To increase UPS's limit of liability for loss or damage above \$100, the Shipper must declare a value in excess of \$100 for each Package or pallet in the declared value field of the UPS Source Document or the UPS Automated Shipping System used and pay an additional charge. The Shipper cannot declare a value in excess of the maximum allowable limits set forth below. UPS shall not be liable under any circumstances for an amount in excess of the declared value of a domestic Package or international Shipment, or pallet. When a Shipper declares a value in excess of \$100, it does not receive any form of insurance. Shippers desiring cargo insurance, all risk insurance, or another form of insurance should purchase such insurance from a third party.

The rules relating to liability established by the Convention for the Unification of Certain Rules Relating to International Carriage by Air signed at Warsaw, Poland, on October 12, 1929, that convention as amended, or the Convention for the Unification of Certain Rules for International Carriage by Air (Montreal, 28 May 1999), shall apply to the international carriage of any Shipment insofar as the same is governed thereby. There are no stopping places which are agreed

upon at the time of tender of the Shipment, and UPS reserves the right to route the Shipment in any way UPS deems appropriate.

53.1 Maximum Declared Values

The maximum declared value is \$50,000 per Package and \$100,000 per pallet, except for the following for which the maximum declared value may not exceed:

- Subject to the limitations set forth below and effective January 5, 2015, certain Packages are eligible for the enhanced maximum declared value of \$70,000 per Package ("Enhanced Maximum Declared Value"). A Package is eligible for Enhanced Maximum Declared Value only where the Package is a domestic Package; is tendered pursuant to the Shipper's Scheduled Pickup Service; the service level selected is a UPS Next Day Air delivery service; the Package is processed for shipment using a UPS Shipping System (declarations of value on paper Source Documents are not eligible for Enhanced Maximum Declared Value); and the Package does not contain any hazardous material or a Perishable Commodity. Except as set forth in this Section, the portion of any declaration of value above \$50,000 per Package is null and void;
- \$1,000 per Package for Packages shipped by a Third-Party Retailer if no high-value control log was provided to UPS on tender of the Package;
- \$1,000 per Package for a Package processed for shipment prior to tender using a UPS Shipping System and tendered to a UPS driver, unless a UPS high-value shipment summary is obtained by the Shipper or person tendering the Package and signed by the driver upon tender of the Package;
- up to \$5,000 per Package for a Package shipped or delivered to a UPS Access Point™ location.
- \$500 per Package for a Package shipped via a UPS Drop Box;
- up to \$1,000 per Package for a Package shipped via a Third-Party Retailer or UPS Access Point™ location if such Package was processed for shipment using a UPS Shipping System prior to drop off at the Third-Party Retailer or UPS Access Point™ location or billed using Bill My Account;
- \$500 per Package or pallet for international Shipments containing jewelry (not including costume jewelry);
- \$1,000 per Package for domestic Packages returned via UPS Print Return Label, UPS Print and Mail Return Label, Electronic Return Label, or 1 UPS Pickup Attempt Return Services, (including via UPS Returns®

on the Web service), and UPS Returns® Flexible Access service;

- \$1,000 per Package or pallet for international Shipments returned via the following UPS Returns® Services: UPS Print Return Label, UPS Print and Mail Return Label, Electronic Return Label, 1 UPS Pickup Attempt, or 3 UPS Pickup Attempts (including via UPS Returns® on the Web), unless a UPS high-value shipment summary is obtained by the Shipper or person tendering the Package or pallet and signed by the driver upon tender of the Shipment;
- \$1,000 per Package or pallet for international UPS Import Control® Shipments unless a UPS high-value shipment summary is obtained by the Shipper or person tendering the Package or pallet and signed by the driver upon tender of the Shipment;
- \$999 per Package for Packages shipped via Shipper Release service;

Shippers cannot declare a value for UPS® Prepaid Letters.

Declaring a value in the declared value field of the UPS Source Document or UPS Automated Shipping System used does not increase UPS's limitations of liability for, and Shippers may not declare a value for, damages related to providing or failure to provide C.O.D. service, including, but not limited to: failure to collect the C.O.D. amount; failure to collect the specified form of payment; collection of an instrument in the wrong amount; failure or delay in delivering the collected instrument to the Shipper; or collection of forged, insufficient funds, or otherwise invalid instruments.

Any declared value contrary to what is allowed in the applicable Terms or Service Guide (e.g., the portion of any declaration in excess of allowed maximums) is null and void. Acceptance for carriage or receipt of payment for any Package or Shipment bearing a declared value contrary to what is allowed does not constitute a waiver of any provisions of the Terms or Service Guide limiting UPS's liability or responsibility for any such Package or Shipment. If a Shipper declares value in excess of the applicable maximum allowed or in any respect contrary to what is allowed in the applicable Terms or Service Guide, it is the Shipper's sole responsibility timely to request an adjustment as set forth in Section 50.1 ("Invoice Adjustment") to recover any Charges. Shippers who fail to do so will be liable for all invoiced Charges.

UPS® Tariff/Terms and Conditions of Service - United States

53.2 Liability Limits

UPS's maximum liability for loss or damage to each UPS domestic Package or international Shipment, or to each pallet in a UPS Worldwide Express Freight® Shipment, shall not exceed the lesser of:

- \$100, when no value in excess of \$100 is declared on the Source Document or UPS Automated Shipping System used (or when a value in excess of \$100 is declared, but the applicable declared value charges are not paid);
- the declared value on the Source Document or UPS Automated Shipping System used when a value in excess of \$100 is declared and the applicable declared value charges paid;
- the purchase price paid by the Consignee (where the shipped property has been sold to the Consignee);
- the actual cost of the damaged or lost property;
- the replacement cost of the property at the time and place of loss or damage; or
- the cost of repairing the damaged property.

UPS's liability for Shipments containing the following commodities shall be limited as follows:

- **Checks.** UPS's liability for a Shipment containing a check or checks is limited to the cost of stopping payment on and reissuing the check(s), not to exceed \$100 per Package or pallet. In no event shall UPS be liable for the face value of the check(s).
- **Phone Cards, Tickets, Gift Cards, and similar.** UPS's liability for a Shipment containing a phone card, ticket (such as event or airline ticket), gift certificate, gift card, coupon, or other similar printed matter with an exchange value is limited to the cost (which shall not include any amount of the value attached to the card, certificate, or coupon, or similar printed matter) of replacing the physical card(s), certificate(s), or printed matter, not to exceed \$100 per Package or per pallet. In no event shall UPS be liable for the face value of any phone card, ticket, gift certificate, gift card, coupon, or similar printed matter.
- **Media.** UPS's liability for a Shipment containing documents, film, photographs (including negatives), slides, transparencies, videotapes, compact discs, laser discs, computer tapes, and media of similar nature is limited to the replacement cost of the media on which the content is recorded.
- **Pairs, Parts.** In the event of loss of or damage to a pair or set of articles, UPS's liability is limited to the value of that part of the pair or set which is lost or damaged, and UPS shall not be liable for the value of the whole pair or set.

In the event of loss of or damage to any part of property (including any part of a machine) which, when complete for sale or use, consists of several parts, UPS shall be liable only for the value of the part lost or damaged, not to exceed the declared value of the part lost or damaged. In no event shall UPS be liable for the value of the complete item.

In the event of partial loss or damage to a pallet in UPS Worldwide Express Freight® service, UPS shall be liable only for the value of the contents of the pallet lost or damaged, and not the value of the full pallet.

53.3 Exclusions from Liability

UPS shall not be liable or responsible for:

- loss or damage to articles of unusual value (as defined in these Terms);
- loss or damage to Prepaid Letters;
- loss or damage resulting from insects, moths, vermin, inherent vice, deterioration, dampness of atmosphere, extreme of temperature, ordinary wear and tear, or that which occurred or arose prior to or after the course of transportation by UPS;
- loss or damage resulting from improper, inadequate or unsafe packaging or wrapping that fails to meet UPS's published standards related thereto set forth in the Terms or at ups.com;
- loss or damage to Perishable Commodities to the extent the loss or damage results from exposure to heat or cold or the perishable nature of the item;
- loss or damage to human remains, fetal remains, human body parts, or components thereof;
- loss or damage to fluorescent tubes or bulbs;
- loss of, damage to, or irretrievability of data stored on any type of media, or of information including without limitation personal, health or financial information;
- loss or damage due to acts of God, natural disasters, war risks, acts of terrorism, nuclear damage, acts of public authorities acting with actual or apparent authority, acts or omissions of customs or similar authorities, authority of law, the application of security regulations imposed by the government or otherwise applicable to the Shipment, riots, strikes or other labor disputes, civil unrest, disruptions in national or local air or ground transportation networks (including, but not limited to, UPS's transportation network), disruption or failure of communication and information systems, or adverse weather conditions;

- loss or damage to any Package or Shipment for which UPS has no scan or other record reflecting that the Package or Shipment was tendered to UPS by the Shipper; or
- loss or damage to any Shipment containing articles that Shippers are prohibited from shipping, that UPS does not or is not authorized to accept for transportation, that UPS states that it will not accept, or that UPS has a right to refuse.

UPS shall not be liable for any loss or damage arising from providing service to, or on behalf of, a person or entity that obtains such services, including the delivery of property, by trick, false pretense, or other fraudulent scheme.

UPS shall not be liable for any damages arising from UPS's inability, failure, or refusal to comply with a request to stop, return, or re-route shipment of a Package after tender to UPS.

UPS shall not be liable for any interruption of service due to causes beyond UPS's control including, but not limited to: the unavailability or refusal of a person to accept Delivery of the Shipment, acts of God, natural disasters, war risks, acts of terrorism, acts of public authorities acting with actual or apparent authority, acts or omissions of customs or similar authorities, authority of law, insufficient information provided by a customer, Hazardous Materials Packages improperly offered for transport, the application of security regulations imposed by the government or otherwise applicable to the Shipment, riots, a government agency hold, strikes or other labor disputes, civil unrest, disruptions of any kind in national or local air or ground transportation networks (including, but not limited to, UPS's transportation network), disruption or failure of communication and information systems, and adverse weather conditions.

UNDER NO CIRCUMSTANCES SHALL UPS BE LIABLE FOR ANY SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, DAMAGES ARISING FROM LOSS, MISDELIVERY OF, OR DAMAGE TO PROPERTY, DELAYED DELIVERY, OR FAILURE TO ATTEMPT DELIVERY IN ACCORDANCE WITH THE UPS SERVICE GUARANTEE, WHETHER OR NOT UPS HAD KNOWLEDGE SUCH DAMAGES MIGHT BE INCURRED. UNDER NO CIRCUMSTANCES SHALL UPS BE LIABLE FOR ANY DAMAGES WHATSOEVER FOR DELAYED DELIVERY, EXCEPT AS SPECIFICALLY PROVIDED FOR SHIPMENTS MADE UNDER THE UPS SERVICE GUARANTEE.

UPS® Tariff/Terms and Conditions of Service - United States

Acceptance for carriage of any Shipment containing articles that Shippers are prohibited from shipping, that UPS does not or is not authorized to accept for transportation, that UPS states it will not accept, or that UPS has a right to refuse, does not constitute a waiver of any provisions of the Terms or Service Guide limiting UPS's liability or responsibility for any such Package or Shipment.

54. Data Protection

The Shipper agrees that UPS and other companies in the UPS group of companies worldwide, including companies in countries that may not have the same level of data protection as the country where the Shipment is tendered for service, may use any data provided by the Shipper to UPS for the purposes set forth in and subject to the UPS Privacy Notice published on UPS's website at <http://www.ups.com/content/us/en/resources/ship/terms/privacy.html>, which is incorporated here by this reference. The Shipper has certain rights under the law (exercisable by contacting UPS) to have access to, rectify, object to the use for direct marketing of, or delete personal data held by UPS about it.

55. Incorporation of Documents; Waiver; Future Changes

All Shipments are subject to the terms and conditions contained in the Terms. The effective Service Guide, and any modifications or amendments of them, are hereby incorporated by reference in these Terms. In the event of a conflict or inconsistency between the Terms and the effective Service Guide, the Terms shall control. UPS reserves the right to unilaterally modify or amend any portion of the Service Guide or the Terms at any time without prior notice.

The Terms, the Service Guide and the UPS Source Document for each Shipment together comprise the complete and exclusive agreement of the parties, including any of UPS's affiliates or subsidiaries, except as modified by any existing or future written agreement between the parties, and may not be contradicted, modified or supplemented by any oral agreement or by any implied-by-law covenant.

For any language in the parties' agreement that gives UPS any discretion, judgment or other right, UPS's exercise of such discretion, judgment or other right is not limited in any way whatsoever – even if the specific language does not so specify. UPS has the sole and unilateral authority to choose how to exercise its discretion, judgment or any other right and may do so for any reason it chooses, without limitation.

UPS is not bound by any previous exercise of its discretion, judgment or any other right. Nor does any previous exercise constitute a determination or admission by UPS about how such discretion, judgment or right should be or should have been exercised.

The parties disavow and waive any obligations of good faith and/or fair dealing, whether implied by law or otherwise, in connection with their agreements regarding services to which these Terms apply, including but not limited to UPS's exercise of any discretion, judgment or other right, afforded by the Service Guide, the Terms or the UPS Source Document. UPS (and any of UPS's affiliates and subsidiaries) have no special, confidential, or fiduciary relationship with any Shipper or Claimant.

Any failure to enforce or apply any terms or provisions of the Service Guide or the Terms shall not constitute a waiver of that term or provision by UPS, and shall not diminish or impair UPS's right to enforce such term or provision in the future. If one or more provisions of the Terms shall be held to be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions shall not be so affected or impaired.

UPS may engage subcontractors to perform transportation and incidental services.

UPS contracts on its own behalf and on behalf of its servants, agents, and subcontractors, each of whom shall have the benefit of these Terms. No such party has authority to waive or vary these Terms.
