

UPS® Ground on Saturday

Delighting customers a day or two earlier than expected.

Today, your customers want what they want when they want it. UPS understands. With the extension of ground service on Saturday, UPS's comprehensive portfolio includes pickup and delivery of both ground and air packages — to commercial and residential addresses* — six days a week.

Residential: Saturday Ground Delivery

- Eligible* packages will now be delivered Saturday, two days earlier
- No additional charge
- No changes in labeling, systems or order processing required

6,000+
We will provide ground service in 6,000 cities and towns by the end of 2018

Commercial: Saturday Ground Pickups

- Customers can request a Saturday pickup for any domestic package
- Saturday Stop Charge applies to each pickup stop
- Eligible* ground packages picked up on Saturday will be delivered Monday, one day earlier
- Commercial customers with a scheduled pickup can also opt in to receive deliveries on Saturday, two days earlier
